

Minutes of the 3rd meeting held on 21.09.18 under the Chairmanship of Hon'ble Mr. Justice Pritam Pal Chairman of Executing Committee regarding Action Plan for River Ghaggar in Conference Room of HSPCB, C-11, Sector-6, Panchkula.

A meeting was held on 21.09.18 under the Chairmanship of Hon'ble Mr. Justice Pritam Pal, Chairman of Executing Committee regarding Action Plan for River Ghaggar in Conference Room of HSPCB, C-11, Sector-6, Panchkula. The list of participants is enclosed as **Annexure**.

Right at the outset, Chairman welcomed the participants and MS, HSPCB briefed about the decisions of the First and 2nd meeting of the Executing Committee. It was also discussed that the Hon'ble NGT has constituted Special Task Force to make river Ghaggar pollution free and punish the violators.

After brief discussions, the Chairman enquired about the number of convictions in the cases filed for Environment violations. The Legal Officers of the State Boards informed that it is less than 3%. Then Chairman desired to know about the reasons of such low rate of convictions in Environment Courts from the Legal Officers of Haryana, UT, Punjab and Himachal.

The District Attorney HSPCB informed that in many cases the procedure for collection of samples as mentioned in the Water/ Air Act is not complied by the officers of HSPCB. Similarly, the ownership of the industries/ units is not established in the prosecutions. The Legal Officer of UT Chandigarh Pollution Control Committee informed that many times the summons could not be effected by the process servers of the courts. There is lack of awareness among the officers of the State Board regarding the evidence/ documents to be collected for filing prosecutions.

The Chairman desired that as far as Ghaggar matter is concerned, all State Board should work collectively and the officers who file prosecution cases should be trained on filing of prosecutions for environmental violations. He directed that Legal Cell of HSPCB should make guidelines/ performa regarding the requirements of the case before filing of prosecutions and a seminar should be organized for field level officers of CPCC, HSPCB, HPPCB and PSPCB to make them aware about the Legal process in the coming week. MS, HSPCB welcomed the decisions and requested to other states that such a seminar can be fixed shortly after receiving inputs from other SPCBs.

MS, HSPCB also informed that there are two Special Environment Courts in Haryana and all the prosecutions regarding environmental violations are filed by the HSPCB and Forest Department in the Environment Courts at Kurukshetra and Faridabad. District Attorney, HSPCB informed that there are approximately 500 cases pending at Kurukshetra and approximately 700 cases pending at Faridabad Court. The legal Officers of HPPCB, PSPCB and CPCC informed that there are no such Environment Courts in their States and the cases are filed in lower courts of the respective districts. The Chairman desired that the respective State Boards/ Environment Departments should write a letter to the respective High Courts through the State Govt. for establishment of Environments Courts similar to that of Haryana.

The meeting ended with thanks to all the participants.
