1.	Ambient Air Quality Monitoring	Chairperson decided that Punjab Pollution Control Board should continue the Ambient Air quality monitoring in Nangal and will take up the matter with the higher Authorities to provide the quarterly report of monitoring in the next meeting.	Punjab Pollution Control Board is carrying out Ambient Air quality monitoring in Nangal town continuously and the results of the monitoring are with the head office laboratory. The matter was	

			taken up with the Head office laboratory and it was informed that the average of results upto March/2020 will be calculated before taking any decision in the matter.	
<u>DEPARTMENT OF TRANSPORT</u>				
2.	Control of vehicular emissions	In the 1 st meeting, the Chairperson stressed that education campaign shall be extensively carried out by Department of Transport and Traffic Police by way of conducting seminars in the Educational institutions and this activity should be carried out on regular basis since the children are the best tool to disseminate the information. <u>It was informed by DSP of Punjab Police that there is a traffic education cell, which may also be roped into for conduct of this awareness campaign.</u> However, no body on behalf of department attended the meeting and the Chairperson directed that explanation be sought from the absentees.	Two camps were organized on 05.07.2019 and 25.07.2019. No detail of dated 05.07.2019 submitted and on 25.07.2019, 25 vehicles checked. A total 64 no. of challans were issued.	<p>Due to flood ferry in District camps could not be organized.</p> <p>Future camp on Friday planned</p> <p>86 challans</p>

Chairperson decided that Department of Transport and Traffic Police to carry on the awareness related activities in the educational institutes and shall also increase the no. of checkings.

In the 1st meeting RTA was instructed to check the working of Pollution Under Control centers & their machinery, such that no false PUC certificate be issued by the operators of the PUC centers. It was also decided that RTA will carry out checking of vehicles by holding Nakas to check as to whether the vehicles are having valid PUC certificate or not and they will also issue challans to the violators and the vehicles found emitting visible emissions. He will also intimate the policy of the State Govt. for phasing out the diesel driven auto rickshaws and encouraging the use of e-rickshaws / CNG based rickshaws and use of public transport.

Chairperson directed Department of Transport to

Discussion regarding policy of the State Govt. for phasing out the diesel driven auto rickshaws and encouraging the use of e-rickshaws and checking of PUC centres is being done. Transport department informed that the use of e-rickshaws / CNG based rickshaws are looked after by local Govt. department.

No policy as such.

Further phasing of vehicles for 6 months is being done.

List of 15 yrs & old will be get from
—NTC from within a week (7 days)

		submit the details of more than 15 years old diesel driven vehicles in the next meeting.
