

DETAILS OF HAZARDOUS WASTE GENERATING INDUSTRIES IN THE STATE OF PUNJAB AS ON 31.03.2013

Sr. no.	Description	Quantity in Tonnes per Annum (TPA)
1.	Total Number of hazardous waste generating units in the State .	3594
2.	Total quantity of hazardous waste generated in the State (TPA)	97677.2
	a Recyclable	70893.2
	b Incinerable	3803.04
	c Disposable to Treatment, Storage and Disposal Facility	22980.9
3.	Status of TSDFs in operation	
	a No. of TSDFs in operation	01
	b No. of TSDFs under construction	Nil
	c No. of sites notified	Nil
	d No. of sites identified	Nil
4.	Status of incinerators (with location details)	
	a No. of common incinerators in operation	Nil
	b No. of captive incinerators in operation	19
5.	Action taken as per Supreme Court directions	
	a No. of hazardous waste generating units in the State	3594
	b No. of hazardous waste generating units for which authorization has been granted	1934
	c No. of hazardous waste generating units for which authorization is under process	304
	d No. of hazardous waste generating units not applied for authorization or for renewal	680
	e No. of hazardous waste generating units running without valid authorization	866
	f No. of hazardous waste generating units for which closure directions have been issued	139
	g No. of hazardous waste generating units for which closure directions were revoked since October, 2003	66
	h No. of hazardous waste generating units closed since October, 2003 by the Board or itself closed	474
	i No. of hazardous waste units displaying information at the entrance in the prescribed size of the display board.	3190
