1.0 Background

The Ministry of Environment, Forest and Climate Change amended the Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 vide notification G.S.R 677(E) dated 18th September 2023 as “The Hazardous and Other Wastes (Management and Transboundary Movement) Second Amendment Rules, 2023; where instrument of EPR (Extended Producer Responsibility) has been introduced for the management of Used Oil in the Country.

As per the provisions of the said rules, every Producer of Base Oil or Lubrication Oil and Importer of Used Oil has the obligation for Extended Producer Responsibility (EPR) on the basis of quantity of Base Oil or Lubrication Oil placed in the market and quantity of Used Oil imported.

The Used Oil Importer shall fulfil their EPR obligations by purchasing Extended Producer Responsibility Certificates from registered recyclers. As per para 26 of the said rules, Producers, Collection Agents, Recyclers and Used Oil Importers are required to registered on the EPR portal developed by CPCB.

This document provides guidance on filling of applications by Used Oil Importer and processing of applications.

As per above said rules, Used Oil Importer means any person or entity who imports used oil.

2.0 Applicability

Used Oil Importer shall submit an online application along with the relevant information, documents and registration fees as per the details outlined in subsequent sections of this document.

3.0 Guidance for filling of Applications by Used Oil Importer

The used oil importers are required to start the process of filing the application by signing up at the web portal <https://eprusedoil.cpcb.gov.in/> followed by filling of registration form consisting of 4 parts namely (1) General Details (2) Details of Used Oil Importer (3) EPR Target & Declaration (4) Payment Details

3.1 Procedure of Signing Up

4.	Payment Details	Payment of fees	<p>Based on the average quantity of used oil imported fee will be auto calculated by system (as per the payment slab).</p> <p>The entity selects the 'Make payment' button and submit the registration fee, upon which the registration is deemed to be submitted.</p>

The screenshot displays the 'EPR PORTAL FOR USED OIL MANAGEMENT' interface. The 'Payment Details' tab is active, showing a summary of the importer's registration fees. The 'Quantity of Used oil imported (MTPA)' table lists two periods: 2022-23 (20 MT) and 2023-24 (19 MT), totaling 39 MT. The 'Average Quantity Import (MT)' is 19.5 MT, leading to a 'Registration Fee Amount (INR)' of 25,000. Below this, a 'Payment slab for registration fee for Importers' table details the fee structure based on import quantity ranges.

Sr. No.	Periodical Year	Unit	Total Quantity Imported
1	2022-23	Metric Ton	20
2	2023-24	Metric Ton	19
Total			39 MT
Average Quantity Import (MT)			19.5 MT
Registration Fee Amount (INR)			25000

Sr. No.	Quantity of Used oil imported (MTPA)	Registration Fee Amounts (INR)
1	> 1,00,000 MT	10,00,000/-
2	50,000 - 1,00,000 MT	5,00,000/-
3	10,000 - 50,000 MT	2,00,000/-
4	1,000 - 10,000 MT	1,00,000/-
5	500-1,000 MT	50,000/-
6	< 500 MT	25,000/-

4.0 Registration Fees

The entity shall pay the registration fees as per the details given below along with the application for registration:

Table-1: Registration fee for Used Oil Importer		
S No	Quantity of Used oil imported (MTPA)	Registration Fees Amounts (INR)
1	> 1,00,000 MT	10,00,000
2	> 50,000 - 1,00,000 MT	5,00,000
3	> 10,000 - 50,000 MT	2,00,000
4	1,000 - 10,000 MT	1,00,000
5	500-1,000 MT	50,000
6	< 500 MT	25,000

5.0 Processing of Application

Once the application submitted by used oil importer, CPCB will follow the procedure for processing the application for grant of registration:

1. The application shall be processed within 21 working days. The registration shall be either granted or rejected as the case may be within this period.
2. After processing, if the application found to be incomplete with respect to any document being not submitted or any missing information, then the applicant shall be informed through portal only.

Accordingly, the applicant shall submit the requisite information sought by CPCB for further processing of the application.

3. Applications shall be rejected if false/ irrelevant information /document submitted. Application fees shall be forfeited in such cases. Fresh applications along with application fees will have to be submitted for Registration.
4. Portal-generated digitally signed Registration Certificate shall be granted through the Portal.
5. The portal has a provision for the internal processing of applications within CPCB, wherein the Member Secretary, CPCB shall be the approving authority for issuing of the Certificate.

6.0 Late Fee Mechanism:

After submission of application it is reviewed by concerned authorities. In case the application found incomplete, the same will be return back to user for re-submission. The applicant can resubmit the application without any late fee, if submitted within the stipulated time period. However, a late fee may apply in case of prolonged delay in re-submission. The details of late fee structure will be updated in due course of time.

7.0 Amendment of Registration:

Amendment refers to the process of making changes to the registration details of Used Oil Importer

1. For any amendments within 21 days after submitting the form for registration no charges will be applicable, however for any amendments after the 21 days, CPCB charges Rupees 10,000 for processing and implementing each requested amendment to registration documents.
2. CPCB shall review amendment requests and may require additional documentation or verification before approving changes to the registration.

8.0 Revocation of Registration:

1. Any registered entity furnishes false information or willfully conceals information for registration or return or report or information required

to be provided or furnished under the said Rules or in case of any irregularity, the registration of such entity may be revoked by the CPCB for a period up to five-years after giving an opportunity to be heard and in addition, environmental compensation charges may also be levied as per provisions under said Rules and amendment thereof.

2. The Producer will be given an opportunity to be heard, prior to the CPCB considering the cancellation or suspension of the registration.

Note: CPCB shall update the document from time to time in accordance with requirements and further Amendment to Hazardous and Other Wastes (Management and Transboundary Movement) Second Amendment Rules, 2023 if any, as required.
