Ms. Shweta Goyal,
Associate Professor,
Civil Engineering Department,
Thapar University,
Patiala.

Subject: Permission for collection and transportation of textile industry ETP sludge for research purpose.

Ref.: Your letter dated 16/12/2016.

Permission for collection and transportation of textile industry ETP sludge for research purpose, to utilize the same as civil construction material, is hereby granted to the University / Institute subject to the following conditions:

1. The institute shall collect and transport the material in an environmentally sound manner as per the provisions of Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016.
2. The institute shall not store the collected material in the open and shall be kept in their premises in an environmentally sound manner.
3. The institute shall inform the Board regarding the quantity of waste material collected from the industries for research purpose on the same day.
4. The institute shall make entry in the register (Form-3) maintained by the industry regarding generation of the waste.
5. The institute shall be responsible for damage, if any, caused to the environment, in any way during collection, transportation and storage of the waste.
6. The institute shall return the excess waste, if any, after the search, to the same industry under intimation to the Board.
7. The institute shall supply a complete set of documents on the research carried out, to the Board for further reference.
8. This permission shall be valid for one year from the date of its issue.
