Patiala - 147 001

**Sub: Implementation of CPCB's Guidelines for "Environmentally Sound Facilities for Handling, Processing and Recycling of End-of-Life Vehicles (ELVs)" - reg.**

Sir,

Please find enclosed Guidelines for "Environmentally Sound Facilities for Handling, Processing and Recycling of End-of- Life Vehicles (ELVs)" (Softcopy of the said guidelines is also available at CPCB website at <http://cpcb.nic.in/technical-guidelines/>). The guidelines outline collection, handling, environmentally sound de-pollution, dismantling, segregation, shredding, separation and processing residues, technologies for recycling process, etc. It also prescribes requirements for setting up of ELV recycling facility and management of various wastes generated during depollution, dismantling and shredding of ELVs.

It is requested to kindly ensure implementation of the guidelines so that dismantling and recycling activities of End-of- Life Vehicles (ELVs) are regulated and carried out in environmentally sound manner.

Yours faithfully,

(Prashant Gargava)  
Member Secretary
