**Subject: Exemption from submission of completion certificate of Pollution Control Devices at the time of obtaining consent to operate by small scale industries.**

It is informed that vide office order no. SEE(HQ-10/201/56 dated 24.2.2014 the Board has prescribed certain important documents, which are required to be submitted along-with application for obtaining the Consent to Establish (CTE)/ Consent to Operate (CTO) for fresh and renewal cases. One of the documents required to be furnished at the time of obtaining the fresh Consent to Operate under the Water (Prevention and Control of Pollution) Act, 1974 and the Air (Prevention and Control of Pollution) Act, 1981 is the completion certificate of ETP / APCD alongwith dimensional drawing.

2) Considering the request from the industries and to facilitate the industrial sector under the ease of doing business, it has been decided that in case, the industry (only small scale) has submitted project report including feasibility report / dimensional drawing of the Pollution Control Device(s) as per the criteria fixed in the policy dated 30.4.2013, the completion certificate of Pollution Control Device(s) shall not be pressed for subject to the fulfillment of the following conditions:

- i. An undertaking shall be obtained from the industry (small category) to the effect that Pollution Control Device(s) has / have been fabricated as per the dimensional drawing and the same is able to achieve the prescribed standards.
- ii. A condition shall be imposed that the grant of consent is subject to the monitoring of such Pollution Control Device(s) by the Board or any Government Laboratory / Government approved laboratory and in case the industry fails to achieve the prescribed standards, then consent to operate shall be revoked / cancelled without any notice.
