

Criteria as to how the fee is to be charged for adjusting the validity period of different category of industries upto the culminating period

Sr. No.	Category of Industries	Date of expiry
1.	Red Category (Large/Medium Scale)	31 st March of the year
2.	Red Category (Small Scale excluding brick kilns)	30 th June of the year
3.	Orange Category and Brick kilns (Large/Medium/Small Scale)	30 th September of the year
4.	Green Category (Large / Medium / Small Scale)	31 st December of the year

In order to smooth the system of grant of consents to the industry under the provisions of the said Acts, the first time consent shall be granted by getting deposit the fee valid upto end of the particular month as mentioned above. For example, if a particular small scale red category industry has applied for consent for four years and the consent to the industry is approved for grant by the Competent Authority on 22/1/2013 and as per the present practice followed by the Board, the expiry period of the consent becomes 21/1/2017, but as per the proposal the industry needs to grant consent upto 30/6/2017. Thus, in case the industry has capital investment of 8 crore and it has deposited Rs. 60,000/- (Rs. 15,000/- per year) as consent fee for four years i.e. upto 21/1/2017 but in order to grant consent to this industry upto 30/6/2017, the industry has to deposit the additional consent fee as under :-

$$\begin{array}{ccccccc}
 15000 \times 5 & 15000 \times 9 & & 15000 \times M & 15000 \times D & & \\
 \hline
 + & + & = \text{Rs. } 6250 + \text{Rs. } 370 = \text{Rs. } 6620 \text{ i.e. } & + & + & & \\
 12 & 365 & & 12 & 365 & &
 \end{array}$$

Where M = Number of Months in excess of prescribed validity period,

Where D= number of Days in excess of prescribed validity period

Therefore, the industry has to deposit Rs. 60,000/- + Rs. 6620/- = Rs. 66620/- to make the consent valid for four years with expiry date on 30/6/2017, In the case the consent is issued on 22/1/2013. Such practice may be adopted for other category of industries i.e. Large, Medium, Small (Red/Orange/Green) as per Table-II mentioned above.
