Punjab Pollution Control Board

BOARD ORDER

Office Order No.1

Dated : 23.5.2001

The Punjab Government has prescribed the following time period for deciding the "Consent to Establish" applications of various industries.

Red Category - Within one month after submission of complete application.

Green Category

- i) Moderately Polluting - Within one month after submission of complete application.
- ii) Marginally Polluting - Within 15 days after submission of complete application.

However, it has been observed that a no. of consent applications are not disposed off by the Board within the above said prescribed period. Sometimes the show cause notice is issued to the industry on the last date of the expiry of prescribed time period. In view of the above, it has been decided that henceforth the following procedure shall be adopted for dealing "Consent to establish" applications of various industries.

1. Regional Offices should convey the observations, if any, on the application of the industry within 2 days from the date of receipt of application. No observations at the later stage be raised after the first set of queries are raised.
2. Cases of the Green Category of industries which fall in the competency of Regional Offices should be decided within the prescribed time period failing which Environmental Engineers of the Regional Offices will be held personally responsible for the delay.
3. Where the "Consent to establish" application falls in the competency of Head Office, such applications may be sent to Head Office within a period
