

**Sub:- Minutes of the meeting of the “District Environment Committee” (DEC) held on 29.01.2020 at 11.00 a.m. under the Chairmanship of Deputy Commissioner, Roopnagar in the committee room of District Administrative Complex, Roopnagar.**

The list of the participants is attached herewith as Annexure-A.

At the outset, the Environmental Engineer, Regional Office, Mohali welcomed all the officers/representatives of various stakeholders departments present in the meeting. He further informed that in OA no. 360/2018 titled as Shree Nath Sharma V/s Union of India, the Hon'ble NGT vide order dated 26.09.2019 has directed to constitute District Environment Committee for preparation and monitoring of District Environment Plan. Further, it has been informed that DEC has been constituted by superseding all previous DLSTF's and AQMC's etc. and the already constituted District Level Special Task Force is no more in existence. The progress of both the AQMC for Nangal and District Level Special Task Force for monitoring of solid waste is also to be monitored alongwith District Environment Plan by the “District Environment Committee” (DEC).

**(A) Activities to be monitored for non- attainment city Nangal:**

<b>S. No.</b>	<b>Issue</b>	<b>Concerned Department</b>	<b>Decisions taken in last meeting</b>	<b>Reply of the stakeholder department</b>	<b>Decisions taken during the meeting</b>
1.	Source apportionment study of Nangal	All stake holders	The Environmental Engineer, PPCB brought out that a meeting with all the stakeholder departments of the AQMC and team of IIT Delhi experts carrying out source apportionment study of Naya Nangal, was held on 02.09.2019 at 03:00 pm in the Conference room of National Fertilizers Ltd., Nangal and the IIT team had given a presentation on the methodology of source apportionment study. Further, the IIT team apprised the attendees regarding the data required for	Department of Food & civil supplies has submitted the data during the meeting. Department of Transport has submitted that the data will be provided within 2-3 days.	Chairperson decided that submission be taken on record and directed that the data must be provided without any further delay.

			<p>the same from the respective stakeholder departments.</p> <p>The chairperson directed all the stakeholder departments to supply the data/ information desired by the IIT team on priority basis.</p>		
2.	Control of vehicular emissions	Department of Police/ Department of Transport, Roopnagar.	The Chairperson directed the RTA and the DoP to ensure that the progress report regarding the same be given to the District Administration as well as the Punjab Pollution Control Board on monthly basis.	The departments informed that regular inspections/challaning of the vehicles is being done and 4 no. awareness camps organized in the month of January. The progress w.r.t months of November and December will be sent through email.	Chairperson decided that submission be taken on record and directed the concerned departments to carry on the regular inspections.
3.	Checking of Pollution Under Check (PUC) centres and nakkas for checking of polluting vehicles	-do-	Discussed as above.	-do-	-do-
4.	Extensive drive against the encroachment along the roads to ensure free flow of traffic.	SDM, Nangal.	The SDM, Nangal and EO Municipal Council, Nangal (as EO, Municipal Council, Nangal is on 550 <sup>th</sup> Parkash Utsav duty) were not present in the meeting and matter was deferred to next meeting.	No data was provided by Municipal Council regarding encroachment along the roads to ensure free flow of traffic as decided during the last meeting.	The Chairperson directed EO, Municipal Council, Nangal that the type/list of encroachments be immediately provided to SDM Office, Nangal so that further necessary action may be taken.

5.	Checking of the retail outlets for adulteration of fuels (petrol/diesel).	DFSC, Roopnagar.	The Chairperson directed the DFSC to continuously monitor the retail outlets and submit the compiled report giving the details of the retail outlets checked to the District Administration as well as the PPCB on monthly basis.	The representative of DFSC submitted that 4 petrol pumps of Nangal town were surveyed and checked in the month of January, 2020 and no adulteration was found.	The Chairperson decided that submission be taken on record and directed to co-ordinate with SDM, Nangal and do combined checking.
6.	Identification of spots along the traffic corridors for plantation of green buffers.	EO – MC, Nangal.	As per the submissions of the Municipal Council, Nangal, 75,000 trees have been planted within 5 km radius along with the BBMB.	EO Municipal Council, Nangal informed that 1200 plants have already been planted and more spots will be identified for further plantation. BBMB authorities will also be requested to give the exact detail of plantation of 75,000 trees.	The Chairperson decided that submission be taken on record and directed to identify more spots for plantation to be done in upcoming rainy season.
7.	Identification of locations for installation of Water fountains at major traffic intersections.	-do-	The Executive Officer, Municipal Council, Nangal informed during the last meeting that Estimate for installation of fountain on two spots i.e. ABC chownk and Sri Guru Gobind Singh chowk has been framed and will be decided in the upcoming house meeting which is still pending as informed representative of MC, Nangal due to an ongoing dispute. The chairperson directed Municipal Council, Nangal to expedite the activities.	EO Municipal Council, Nangal informed that estimates for installation of 7 no. fountains has been passed against the required 2 no. and the tenders will be opened on 04.02.2020.	The Chairperson decided that submission be taken on record and directed to expedite the matter.

8.	Study regarding road surface improvements	-do-	Representative of MC Nangal informed that resolution for engaging a 3 <sup>rd</sup> party for carrying out the study for road surface improvement has been passed and tendering is to be done. Further, EO, Nangal did not attend the meeting and was on 550 <sup>th</sup> Parkash Utsav duty. Chairperson directed to expedite the matter.	EO MC Nangal informed that resolution for engaging a 3 <sup>rd</sup> party for carrying out the study for road surface improvement has been passed and tendering is to be done. file sent to Head Office and the approval is still awaited.	The Chairperson decided that submission be taken on record and directed to expedite the matter. The EO, Municipal Council, Nangal will pursue the matter with Head Office to get early sanction.
9.	Mechanical sweeping of roads by mechanical sweepers.	-do-	MC Nangal informed that estimate has been prepared and item will be discussed in the next meeting of the house on 20.09.2019. However, the representative of MC, Nangal informed that the house meeting is still pending due to an ongoing dispute. Further, EO, Nangal did not attend the meeting and was on 550 <sup>th</sup> Parkash Utsav duty. Chairperson directed to expedite the matter.	MC Nangal informed that estimate for 2 no. mechanical sweepers has been passed and case sent to Head Office for approval.	The Chairperson decided that submission be taken on record and directed to expedite the matter. The EO, Municipal Council, Nangal will pursue the matter with Head Office to get early sanction.
10.	Tracking of movement of garbage collected by rag-pickers to the dump site and the drive for checking open burning of bio-mass/municipal solid waste in the city.	-do-	MC, Nangal informed that 10 no. inspections were done and no Challan was issued for burning of garbage. Chairperson directed to carry on the activity..	EO MC Nangal informed that it is a regular activity and daily 1-2 inspections are being carried out. No challan was issued.	The Chairperson decided that submission be taken on record and directed EOs Municipal Council to carry on the inspection.
11.	Identification of suitable location for dumping of C & D Waste and	-do-	Municipal Council Nangal informed that the proposal for 2 <sup>nd</sup> site that was near STP Mojowal has been changed and proposal for new site will be given in the next meeting.	EO Municipal Council, Nangal informed that 1 no. C&D waste site near Sutlej Park is operational	The Chairperson decided that submission be taken on record and directed to expedite the matter.

	installation of an advanced waste management facility for C & D Waste at Naya Nangal.		Further, the representative of Municipal Council has not given any details in writing and has informed that EO, Nangal is on 550 <sup>th</sup> Parkash Utsav duty.	and location for 2 <sup>nd</sup> site has been identified and letter written to NFL for joint visit. (Previously selected site got rejected).	
12.	Awareness campaign regarding the ill-effects of stubble burning and in-situ incorporation of agriculture residue in fields	Department of Agriculture	The matter was discussed and Chairperson directed the Department of Agriculture to get well prepared for the upcoming paddy harvesting season. Further, the DoA was directed to get the burning sites reported by PRSC inspected from the committees formed at Block Level and submit progress to the Punjab Pollution Control Board on daily basis.	<b>For Nangal Region:</b> No fire incident reported within 5 km radius of Nangal. Further, 87 village level camps have been organized to aware the farmers about the ill-effects of stubble burning.	The Chairperson decided that submission be taken on record and directed for daily verification from next season so that possibility of no fire incidents may be avoided.
13.	Maintain potholes free roads for free-flow of traffic	PWD (B&R)	9 Km of road length has been identified for patchwork are as following: (Kiratpur Sahib-Nangal-una road upto HP Border) with an estimate of 10 lacs. Chairperson decided that submission be taken on record and also directed Deptt. of PWD to bring the progress in writing in the next meeting and also expedite the work.	No information/progress provided by the representative.	The Chairperson directed the representative of department of PWD (B&R) to ask Executive Engineer to submit the detailed report within 2 days and attend the further meetings personally. No representative or junior officer will be allowed to attend.
14.	Blacktopping of metalled road	-do-	Identified 9 kms of following roads for black topping: Kiratpur Sahib - Nangal Una road upto HP Border (NH 503 extr) with an estimate of 60 lacs upto 30.11.2019.  Chairperson decided that submission be taken on record and also directed Deptt. of PWD to	No information/progress provided by the representative.	The Chairperson directed the representative of department of PWD (B&R) to ask Executive Engineer to submit the detailed report within 2 days and attend the further

			bring the progress in writing in the next meeting and also expedite the work.		meetings personally. No representative or junior officer will be allowed to attend.
15.	Widening of road and infrastructure for decongestion of road	-do-	<p>1. Construction of H/L Bridge 5 span 22 mtr each crossing barari to Nangal up to Nangal Una road with an estimate of 4.25 crores and completion upto 27.9.2019.</p> <p>2. Construction of 1 No. ROB at L-Crossing 88-C (1.375 KM) with an estimate of 123.80 crores from Central Govt. and completion upto 7.6.2020.</p> <p>Chairperson directed that the PWD will bring the progress in writing in the next meeting and also directed that the meetings in future will be attended by either Executive Engineer himself or by some other officer who is well versed with the facts.</p>	No information/progress provided by the representative.	The Chairperson directed the representative of department of PWD (B&R) to ask Executive Engineer to submit the detailed report within 2 days and attend the further meetings personally. No representative or junior officer will be allowed to attend.
