project was conducted on 25.08.2023. The public hearing process was supervised & presided over by Additional Deputy Commissioner (G), Fatehgarh Sahib in the presence of Environmental Engineer & Asstt. Environmental Engineer, PPCB Regional Office, Fatehgarh Sahib. The public hearing was attended by 53 persons and entire process of the said hearing was videographed. A copy of the attendance containing the details of persons, who attended the said hearing along with copy of the (Pendrive) containing video recording, is enclosed herewith as **Annexure-II & III**, respectively. The site of the industry was visited by the Officers of the Board on 25.08.2023 and the comments regarding construction status, adequacy of pollution control proposal and suitability of site has been received from Senior Environmental Engineer, Zonal Office-2, Patiala vide letter No. 3567 dated 29.09.2023 (**Annexure-IV**). The gist of the comments as received from the Zonal Office-2, Patiala is as under:-

**Construction status**

No construction work of the proposed project has been started. Only boundary wall at the site has been done.

**Suitability of site**

The site of the industry (Mullanpur Kalan) falls in industrial zone as per the Notified Master Plan of Mandi Gobindgarh upload the online in the website of PUDA and as mentioned in the ToRs issued by SEIAA, Punjab. Hence, the site is suitable for the installation of the proposed unit.

**Adequacy of pollution control proposals**

For discharge of emissions from Induction Furnaces of 25 Ton/heat, the industry has proposed to install pulse jet bag filter with offline technology. As per the current practice, the proposed arrangements for tapping of primary emissions are adequate in principle, but the industry is required to make arrangements for control/tapping of secondary emissions generated from the furnace & CCM as well. Further for domestic wastewater, STP of 15 MLD capacity is to be installed which is adequate.

The proceedings of the public hearing reflecting the views & concerns expressed during the public hearing, duly signed by the Additional Deputy Commissioner (G), Fatehgarh Sahib and Environmental Engineer & Asstt. Environmental Engineer, PPCB, Regional Office, Fatehgarh Sahib, is enclosed herewith as **Annexure-V**. In addition to above, it
