ਮਿਤੀ 12/9/21

Subject: Minutes of 7th review meeting of District Environment Committee held under the Chairmanship of Additional Deputy Commissioner (U), Patiala on 31/08/2021.

District Environment Committee (DEC), which has been constituted as per notification dated 31/10/2019 issued by Deptt. of Science, Technology and Environment.

The list of officers/ officials, who attended the meeting, is attached herewith as **Annexure-1.**

At the outset, it was apprised about the orders/ directions passed by the Hon'ble National Green Tribunal from time to time in various connected matter, which are briefly mentioned as under:

- The Hon'ble National Green Tribunal vide order dated 10.01.2020 in OA No.606 of 2018 in the matter of compliance of Solid Waste Management Rules, 2016 in Para No.36 has directed that most of the statutory timelines have expired and directions of Hon'ble Supreme Court and the Tribunal to comply Solid Waste Management rules, 2016 remain unexecuted and accordingly, compensation scale is laid down for continued failure after 31.03.2020. The compliance of the Rules requires taking of several steps mentioned in Rule 22 (S. No.1 to 10). Any such continued failure will result into liability of every Local Body to pay compensation at the rate of Rs. 10 lakh per month per Local Body for population of above 10 lakh, Rs. 5 Lakh per month per Local Body for population between 5 lakh and 10 lakh and Rs. 1 lakh per other Local Bodies from 1.04.2020 till compliance. If the Local Body is unable to bear financial burden, the liability will of the State Govt. with liberty to take remedial action against erring Local bodies. Apart from compensation, adverse entries must be made in the ACRs of the CEO of the said Local Bodies and other senior functionaries in Department of Urban Development etc. who are responsible for compliance of order of this Tribunal. The Hon'ble Tribunal has also directed in Para No 31 (ii) that the date of commencement of setting up of STPs is 31.3.2020, failing which compensation amounting to Rs 5 lakh/month/STP by the concerned local bodies/States in terms of order dated 28.8.2019 in OA No. 593/2017 and 6.12.2019 in OA No. 673/2018 w.e.f 1.4.2020 shall be imposed.
- The Hon'ble Tribunal in its order dated 6.12.2019 in OA No. 673 of 2018 (mentioned in order dated 6.12.2019 uploaded on 12.12.2019 in OA No. 916 of 2018) had issued direction that 100% treatment of sewage may be ensured as directed by the Tribunal 1 vide order dated 28.08.2019 in O.A No. 593/2017 by 31.03.2020 at least to the extent of in-situ remediation and before the said date, commencement of setting up of STPs and the work of connecting all the drains and other sources of generation of sewage to the STPs must be ensured. If this is not done, the local bodies and the concerned departments of States/UT's will be liable to pay compensation as directed vide order dated 22.08.2019 in case of river Ganga i.e. Rs. 5 lakh per month per drain for default in in-situ remediation and Rs. 5 lakh per month per STP for default in commencement of setting up of the STP.

The timeline for completing all steps of action plans including completion of setting up STPs and their commissioning till 31.03.2021 in terms of order dated 08.04.2019 in the present case will remain as already directed.

- The Hon'ble Tribunal vide its order dated 21.05.2020 in OA No. 593 of 2017 at Para 8 [47(i) & ii)] has directed as under:
 - 100% treatment of sewage may be ensured as directed by this Tribunal vide order dated 28.08.2019 in O.A. No. 593/2017 by 31.03.2020 at least to the extent of in-situ remediation and before the said date, commencement of setting up of STPs and the work of connecting all the drains and other sources of generation of sewage to the STPs must be ensured. If this is not done, the local bodies and the concerned departments of the States/UTs will be liable to pay compensation as already directed vide order dated 22.08.2019 in the case of river Ganga i.e. Rs. 5 lakhs per month per drain, for default in in-situ remediation and Rs. 5 lakhs per month per STP for default in commencement of setting up of the STP
 - Timeline for completing all steps of action plans including completion of setting up STPs and their commissioning till 31.03.2021 in terms of order dated 08.04.2019 in the present case will remain as already directed. In default, compensation will be liable to be paid at the scale laid down in the order of this Tribunal dated 22.08.2019 in the case of river Ganga i.e. Rs. 10 lakhs per month per STP.
 - Further, in para 13 of order dated 21.05.2020 in OA No. 593 of 2017 has directed that as regards non-compliant STPs, further action may be completed by the State PCBs/PCCs and it may be ensured that there is 100% treatment of sewage and till STPs are set up, at least in-situ remediation takes place. However, on account of Corona pandemic which has affected several on-going activities, the timeline of levy of compensation in terms of order dated 28.08.2019 in O.A. No. 593/2017 read with order dated 06.12.2019 in O.A. No. 673/2018, of 01.04.2020 may be read as 01.07.2020 and 01.04.2021 may be read as 01.07.2021.
- The Hon'ble Tribunal vide its order dated 1.6.2020 in OA No. 325 of 2015 in the matter of Lt. Col. Sarvadaman Singh Oberoi V/s Union of India & Ors, has directed in Para No.6 that harvesting surplus water during excessive rains from any areas of catchment needs to be optimized by enhancing the capacity of the existing ponds/water bodies, creation of water harvesting structures in the sub-watersheds to the extent possible, apart from setting up of additional water bodies/water harvesting structures wherever viable, utilizing available funds including under MGNREGA and involving the community at large at every level. Gram Panchayats can certainly play a significant role in the matter. Once adequate capacity enhancement of water bodies takes place, excess flood/rain water can be channelized by using appropriate water harvesting techniques. This action needs to be coordinated by the District Magistrates in coordination with the Department of Irrigation and Flood Control or other concerned Departments such as Department of Rural

Development/Urban Development/Local Bodies/Forests/Revenue etc. Further, in the said matter, it was directed that the District Magistrates may also ensure that as far as possible at least one pond/ water body must be restored in every village, apart from creation of any new pond/water body.

DEC is working on the following specific thematic areas and the concerned department/ Nodal Agencies for necessary compliance.

	Areas	Implementing Agency
a)	Compliance to Solid Waste Rules including Legacy Waste.	Municipal Corporation, Patiala (MCP) and ADC(U), EO's of MC's
b)	Compliance to Bio Medical Waste Rules	PPCB and Civil Surgeon, Patiala
c)	Compliance to Construction & Demolition Waste	MC, Patiala and ADC(U), EO's of MC's
d)	Compliance to E-Waste Rules	PPCB, Patiala/ MC, Patiala and ADC(U), EO's of MC's
e)	For Water Polluted Stretches in the State (Roopnagar to Harike Bridge in River Sutlej, along Mukerian & Sultanpur Lodhi to confluence of Beas in River Beas	DLSTF
f)	Nine non-attainment cities namely Patiala, Dera Bassi, Naya Nangal, Dera Baba Nanak, Mandi Gobindgarh, Khanna, Ludhiana, Jalandhar and Amritsar	DLSTF
g)	Industrial Clusters namely Mandi Gobindgarh, Ludhiana	No industrial cluster
h)	Status of STPs and Re-use of Treated Water	Status of STPs- Local Govt./ PWSSB/ PDA/ PSIEC/ MES Re-Use of Treated Water - Soil Conservation and Water Resource (Irrigation)
i)	Status of CETPs/ ETPs including performance	CETP – NIL ETP – PPCB
j)	Ground Water extraction / contamination and recharge.	Ground Water extraction - Asstt. Geologist, Ground Water Cell, Agriculture Deptt. To check contamination within industries and

		industrial cluster- PPCB In rural areas – Rural Water Supply & Sanitation, Rural Development & Panchayats
k)	Air Pollution including noise pollution	Air Pollution – PPCB Noise Pollution – SDM and DSP and assistance of PPCB to measure of noise level in specific cases
l)	Illegal sand mining	Water Resources (Irrigation)/ Police Deptt.
m)	Rejuvenation of Water Bodies	Local Govt., PEDDA, Rural Development & Panchayats
n)	Crop Residue Burning	District Administration, Agriculture Deptt., DR (Cooperative), PPCB

1.	Compliance to Solid Waste Rules including legacy waste						
	i)	Door to Door Collection of Solid Waste					
		As per report submitted by Municipal Corporation, Patiala (MCP) and MCs/NPs, 100 % door to door collection is being carried out by MCP and all MCs/NPs.					
	Decision	MCP and MCs / NPs shall continue to carry out 100% door to door collection.					
	ii)	Source Segregation of solid waste					
		As per report of MCP and MCs/NPs, Municipal Corporation and all MCs/NPs except Nabha (91%) is carrying out 100% source segregation of solid waste. EO, Nabha informed that to achieve target, MC Nabha has already make tenders for three Tata Ace and 5 tipper on 24.08.2021 and allotment work is under progress.					
	Decision	MC, Nabha shall achieve the target of 100% source segregation of solid waste without any further delay.					
	iii)	Treatment of Wet Waste					
		The status submitted by MCP and MCs/ NPs is as under:					
		Sr. No	ULB Name	Revised Target of Compost pits as per Census 2011 population	Number of Pits Constructed	Number of Pits under construction	GAP
		1	MCP	535	535	-	-
		2	Rajpura	150	150	0	0
	3	Ghanaur	15	15	0	0	
	4	Bhadson	24	24	0	0	
	5	Samana	65	65	0	0	
	6	Ghagga	15	15	0	0	
	7	Patran	10	7	0	3*	
	8	Sanaur	25	25	0	0	
	9	Nabha	104	81	0	23*	
	*EO, MC, Nabha apprised that 81 pits have already been constructed and work for the rest 23 pits shall be started within 10 days. *EO, MC, Patran apprised that they have already installed mechanical composter & constructed 7 compost pits and construction for the rest 3 pits has already been started and work shall be completed within 15 days.						
Decision	(a) MC Nabha shall expedite the pending work and complete the same without any further delay. (b) MC Patran shall complete the construction of remaining 3 pits by 15.09.2021 and submit report in this regard.						
iv)	On site Composting in Parks to manage horticulture waste:						
	As per report submitted by Municipal Corporation, Patiala (MCP) and MCs/NPs, Municipal Corporation and all MCs/NPs have provided requisite no. of compost pits to manage horticulture waste in the respective parks.						
Decision	Municipal Corporation and MCs/ NPs shall ensure on-site composting in parks						

		to manage the entire horticulture waste.																																																		
	v)	<p>Management of Plastic Waste & carrying out surprise inspection/ raids and burning & littering of solid waste:</p> <p>Representative of Municipal Corporation, Patiala apprised that MCP is regularly making raids to check the sale/use of carry bag and burning & littering of solid waste. As per the report of MCs/NPs, Sanour, Ghanour, Bhadson, Nabha, Rajpura have seized 15 Kgs, 2.5 Kgs, 3 Kgs, 5 Kg and 310 Kg plastic respectively in 24 raids. An amount of Rs. 2750/- has been collected as penalty. The MC/NP Samana, Patran & Ghagga has not submitted any report regarding raids/ fine imposed on violators.</p>																																																		
	Decision	<p>a) Municipal Corporation, Patiala shall submit no. of inspections conducted, quantity of plastic bags seized, incidents of solid waste burning/ littering and fine imposed/ recovered to the PPCB by 5th of every month.</p> <p>b) MCs/ NPs shall continue to make surprise inspections and the violators should be penalized. MC/NP Samana, Patran & Ghagga shall ensure to carry out the activity every month.</p>																																																		
	vi)	<p>Removal of Garbage Vulnerable Points:</p> <p>The status submitted by Municipal Corporation, Patiala and MCs/ NPs is as under:</p> <table border="1"> <thead> <tr> <th>Sr. No</th> <th>ULB Name</th> <th>No. of total GVPs</th> <th>No. of GVPs removed</th> <th>No of GVPs still exist</th> </tr> </thead> <tbody> <tr> <td>1</td> <td>MCP</td> <td>40</td> <td>40</td> <td>0</td> </tr> <tr> <td>2</td> <td>Rajpura</td> <td>32</td> <td>32</td> <td>0</td> </tr> <tr> <td>3</td> <td>Ghanaur</td> <td>0</td> <td>0</td> <td>0</td> </tr> <tr> <td>4</td> <td>Bhadson</td> <td>0</td> <td>0</td> <td>0</td> </tr> <tr> <td>5</td> <td>Samana</td> <td>3</td> <td>3</td> <td>0</td> </tr> <tr> <td>6</td> <td>Ghagga</td> <td>0</td> <td>0</td> <td>0</td> </tr> <tr> <td>7</td> <td>Patran</td> <td>2</td> <td>2</td> <td>0</td> </tr> <tr> <td>8</td> <td>Sanaur</td> <td>12</td> <td>12</td> <td>0</td> </tr> <tr> <td>9</td> <td>Nabha</td> <td>16</td> <td>10</td> <td>6</td> </tr> </tbody> </table> <p>EO, MC, Nabha informed that MC Nabha has already removed 1 GVP at Circular Road, Near SBI Branch and carried out plantation with tree guard in the area. He further assured that the remaining GVPs shall be removed within one month, positively.</p>	Sr. No	ULB Name	No. of total GVPs	No. of GVPs removed	No of GVPs still exist	1	MCP	40	40	0	2	Rajpura	32	32	0	3	Ghanaur	0	0	0	4	Bhadson	0	0	0	5	Samana	3	3	0	6	Ghagga	0	0	0	7	Patran	2	2	0	8	Sanaur	12	12	0	9	Nabha	16	10	6
Sr. No	ULB Name	No. of total GVPs	No. of GVPs removed	No of GVPs still exist																																																
1	MCP	40	40	0																																																
2	Rajpura	32	32	0																																																
3	Ghanaur	0	0	0																																																
4	Bhadson	0	0	0																																																
5	Samana	3	3	0																																																
6	Ghagga	0	0	0																																																
7	Patran	2	2	0																																																
8	Sanaur	12	12	0																																																
9	Nabha	16	10	6																																																
	Decision	MC, Nabha shall expedite to remove remaining GVPs by 30.09.2021 and submit compliance of the same in the next meeting.																																																		
	vii)	<p>Providing Compartments and GPS in Garbage Carrying Vehicles:</p> <p>It was apprised during meeting that the garbage of MCP limits is managed through vehicles of private company and these vehicles are provided with GPS. EOs of all MCs/ NPs informed that all the garbage carrying vehicles are now equipped with GPS.</p>																																																		
	Decision	MCP & MCs/NPs shall keep the check on operation of the GPS provided on the																																																		

		garbage carrying vehicles on regular basis.
	viii)	Identification of Bulk Waste Generators (BWGs) and Management of Solid Waste:
		It was apprised during meeting that Bulk Waste Generators (BWGs) in the jurisdiction of MCP have provided adequate no. of compost pits in their premises to manage the wet waste and have already made agreement with the authorized agency for disposal of dry waste. MCs/NPs intimated that they have already made agreement with bulk generators for scientific disposal of dry waste.
	Decision	The MCP/MC/NP shall keep a check on bulk waste generators on regular basis and shall ensure that solid waste is disposed off in an environmentally sound manner
	ix)	Frequency of Sweeping in residential and Commercial Area:
		It was apprised during meeting that Municipal Corporation and MCs/NPs are carrying out sweeping in residential and commercial areas twice a day.
	x)	Status of Material Recovery Facilities (MRFs):
		It was apprised during meeting that Municipal Corporation and MCs/NPs (except Patran) have constructed MRFs as per their targets. EO, MC, Patran intimated that it has setup one MRF in MC Office and for 2 nd MRF demand letter has been sent to PMIDC. Environment Engineer, PPCB informed that MRF facilities of Bhadson & Sanour was checked by the PPCB and was found in order.
	Decision	MC Patran shall take immediate steps for setting up of integrated project comprising of MRF, construction of compost pits etc. without any further delay.
	xi)	Treatment of Legacy Waste:
		It was apprised during meeting that Municipal Corporation has remediate about 50 % of its legacy waste. Mechanical separators have been delivered to all MCs/NPs. Similarly, bailing machines have been delivered to all MCs/NPs. The electric connection is awaited for Sanour, till date.
	Decision	a) MCP shall expedite the treatment/disposal of legacy waste from dump site and complete the work in the prescribed timelines. b) MCs/NPs shall submit its progress regarding treatment/disposal of legacy waste from dump site fortnightly and shall ensure to complete the work at the earliest.
	xii)	IEC Activities in the District and Training to the Stakeholders:
		It was apprised during meeting that Municipal Corporation is carrying out IEC activities on daily basis through four Community Facilitators and MCs/NPs also

		apprised that Community facilitators and motivators are regularly taking up IEC activities.
	Decision	It was decided that MCs/NPs shall keep the capacity building programs going to achieve the desired results.
	xiii)	Removal of Solid Waste from drains/ stretches of river:
		MCP/ MCs/NPs apprised during the meeting that the cleaning of the stretches of the drains fall in their jurisdiction is being checked/ cleared on regular basis.
	Decision	All the stakeholder departments including Local Authorities shall keep check on regular basis to ensure that no solid waste is lying dumped along drains/Nallahs/River Ghaggar.
	xiv)	Provision of piezometer at solid waste dumping site:
		It was apprised that MCP have already installed piezometer at its dump site. Further, representative of MCs/NPs intimated that MC/NP Bhadson, Rajpura, Nabha, Samana Ghanour have already installed piezometer at the dump site.
	Decision	MCP & MCs/NPs shall maintain the piezometer at the dump site and the MCs/NPs, which are yet to provide piezometer at their dump site shall complete the activity by 30.09.2021 positively.
	xv)	Designation and notification of construction & demolition waste site:
		It was apprised during meeting that MCP & all the MCs/NPs (except Nabha) have already installed Grinder for the processing of C&D Waste. EO, MC Nabha intimated that has already make tenders of the machinery on 24.08.2021 and allotment work is under progress.
	Decision	MC Nabha shall share expedite the work and submit the progress in the next meeting. MCP & all the MCs/NPs shall manage C & D waste as per the prescribed rules.
<p>After deliberations regarding status of compliance of Solid Waste Management Rules, 2016, it has been decided that Municipal Corporation and MCs/NPs shall ensure the strict compliance of directions given by the Hon'ble NGT Monitoring Committee during its meeting on 22.06.2020 and subsequently from time to time.</p>		
2.	Compliance of Bio-Medical Waste Rules, 2016:	
		Environmental Engineer, Punjab Pollution Control Board, Regional Office, Patiala apprised that there are 648 Pvt./ Govt. HCFs, 60 SHCs and 161 CVDs out of which 641 Pvt. / Govt. HCFs, 60 SHCs and 148 CVDs, respectively have obtained authorization from the Board under the Bio-Medical Waste Management Rules, 2016. The persuasion is being carried out to get all the HCFs / SHCs / CVDs authorized.
	Decision	Deptt. of Health and PPCB shall ensure that all HCFs (Govt.) and HCFs (Pvt./ Govt.) respectively obtain requisite authorization under the Bio-Medical Waste Management Rules, 2016.

3.	Compliance of E-Waste Management Rules, 2016	
	i)	Monitoring of segregation and channelization of e-waste from the MSW by the Deptt. of Local Govt.:
		Municipal Corporation, Patiala and MCs/ NPs informed that they have provided dedicated space for storage of e-waste and are in the process to execute agreement with the authorized facility.
	Decision	Municipal Corporation and MCs/ NPs shall execute agreement with the authorized facility to channelize their e-waste without any further delay.
	ii)	Monitoring of allocation of industrial space for industrial sheds/ plots by the Deptt. of industries/ other development agencies:
		It was apprised during meeting that as per E-Waste (Management) Rules, 2016, Govt. to ensure earmarking or allocation of industrial space or shed for e-waste dismantling and recycling in the existing and upcoming industrial park, estate and industrial clusters. Representative of the Deptt. of Industries informed that DIC has already given directions to the PSIEC for ear marking the plot/shed exclusively for e-waste facility.
	Decision	General Manager, District Industries Centre, Patiala shall ensure compliance the stipulation of allocation of space for e-waste facility as per E-Waste Management Rules, 2016.
4.	Water Polluted Stretche(s) in the District	
	i)	Tapping of wastewater outlets (Urban & Rural Areas) not connected with STPs:
		Executive Engineer, PWSSB apprised the timelines for commissioning of STPs i.e. 2 MLD STP of Bhadson (31.12.2023), 4 MLD STP of Sanour (31.12.2022), 2 MLD STP of Ghanaur (31.12.2023) and 12 MLD STP of Nabha (31.12.2022). SDO, PDA informed that there is no untapped point in their area of jurisdiction. Executive Engineer, Irrigation informed that the work for identification of such outlets has already been undertaken and action is being taken accordingly.
	Decision	a) MCs / NPs/ PWSSB shall get the installation of proposed STPs completed within the given timelines. b) Executive Engineer, Irrigation was directed to submit the action taken report regarding steps taken to identify the outfalls of wastewater in the drains/ghaggar and put up action taken report in this regard by 30.09.2021. c) XEN, Panchayti Raj shall look after the issue of disposal of untreated sewage of the villages in the drains / Ghaggar and shall submit the Action taken report immediately.. d) PPCB shall ensure that no industrial unit should discharge treated/ untreated effluent directly/indirectly into any drain/nallah/river Ghaggar.

	<p>ii) Status of the ponds developed/ completed:</p> <p>It was apprised during meeting that incompliance to the orders passed by the Hon'ble NGT 25.02.2020 in the matter of OA No. 325/2015, the Directorate of Environment and Climate Change (DECC) has already prepared an Action Plan for identification, protection and restoration of water bodies of the State. The said OA has been disposed off by the Hon'ble NGT on 18.11.2020 with certain directions as mentioned in para-22 of the order.</p> <p>In this regard, Executive Engineer, Rural Development & Panchayat intimated that besides completion of the work of 41 ponds with Seechewal Model, the work for another 16 ponds has also been started with the available funds. Also, dewatering/de-silting of 90 ponds have also been carried out upto July, 2021.</p> <p>Soil & Conservation Department informed that they are taking up the matter with the authorities for release the funds to lay pipeline network for utilization of treated effluents of the pond for irrigation purpose.</p> <p>SDO, Water Supply & Sanitation informed that the work of the rejuvenation/ watering/ de-silting is being carried out by Rural Development & Panchayat only.</p> <p>EO, Rajpura informed that as per the Action Plan, one pond in the area is to be maintained & upgraded. In this regard, earlier tenders were issued but only single tender received. Now, re-tendering has already been done and work order will be issued accordingly.</p> <p>EO, Patran informed that MC Patran has carried out dewatering of the 3 ponds and work for the one pond is under process and estimate is being prepared for the remaining one pond.</p>
Decision	<ul style="list-style-type: none">• The concerned departments shall ensure the compliance the orders passed by the Hon'ble NGT on 18.11.2020 in O.A. No. 325/2015 titled as Lt. Col. Sarvadaman Singh Oberoi Vs Union of India & Ors and further directions from state Govt./ departments in the matter.• Executive Engineer, Rural Development & Panchayat shall expedite the work regarding restoration of water bodies/ treatment facilities in the villages located in the catchment area of river Ghaggar as per phase wise priority and the timelines given in the Action Plan for rejuvenation ponds.• The soil & conservation department shall coordinate with the department of Rural Development & Panchayat to prepare scheme for reuse of the treated wastewater from the rejuvenated ponds.• The concerned department shall ensure that no village shall be allowed to discharge the untreated treated wastewater into borewell in any case and where ever such practice is adopted, the same shall be stopped immediately.

	<ul style="list-style-type: none"> Restoration of water bodies shall be done in the time bound manner by involving village Panchayats to ensure the compliance of the orders passed by the Hon'ble NGT in the matter of O.A. No. 325/2015. EO, MC Rajpura & Ghagga shall ensure the completion of the work regarding rejuvenation of the pond in their respective area within the timeframe of Action Plan.
iii)	Department of Rural Water Supply & Sanitation shall carry out sampling of groundwater of rural areas along the River Ghaggar through mobile van so as to check drinking water standards and subsequently to submit the analysis report with comments of the samples of drinking water tested from area/ villages along the bank of River Ghaggar. The representative of the Deptt. informed that the sampling is being carried out every month to check the quality of ground water in the catchment area of River Ghaggar.
Decision	Department shall continue to carry out these sampling and shall submit the report accordingly to the PPCB by 5 th of every month.
iv)	Submission of report regarding Health Check Camps in the catchment areas of River Ghaggar:
	It was apprised that from 01.07.2021 to 31.08.2021 the Health Department had organized 8 Health Check Camps in which about 664 people were examined and as per submission of the Assistant Civil Surgeon, no water borne disease was diagnosed with the patients who were checked during the camps.
Decision	Health department shall continue health Check Camps in the catchment areas and report of the persons diagnosed with water borne disease during the camps.
5.	Status of STPs and reuse of treated wastewater
a)	Operational STPs
	<ul style="list-style-type: none"> i. It was apprised by MCP and other MCs/NPs that monthly sampling is being done by Punjab Pollution Control Board and the analysis results are within permissible limits. Record of wastewater, sludge generation and disposal is being maintained. ii. MC, Patiala has informed that CCTV cameras installed at the STPs are now connected with the server of PPCB. MCs/NPs in its report has submitted that CCTV cameras have already been installed which will be connected to PPCB server, shortly. iii. It was apprised by MCP that it has operationalized and linked its online continuous effluent monitoring systems with PPCB and CPCB servers. MCs/NPs in its report submitted that OCEMS have been installed at 7 MLD and 10 MLD STPs of Rajpura. The installation of OCEMS at STPs installed at Samana & Patran shall be carried out shortly.

Decision	<p>i. The authorities concerned shall ensure the regular & efficient operation of STPs so as to achieve the effluent standards at all times as prescribed by PPCB and maintain its record including record of wastewater & sludge generation & disposal, all the time.</p> <p>ii. CCTV cameras installed for surveillance of operation of the STPs shall be connected with server of PPCB. PWSSB in consultation with the PPCB make efforts to get the cameras connected with the PPCB server and submit compliance 30.09.2021.</p> <p>iii. Online continuous effluent monitoring system (OCEMS) shall be installed within timelines as per directions given by Hon'ble NGT Executing Committee/ PPCB time to time.</p>
b)	Under construction/ proposed STPs
	<p>MCP has submitted that the construction of 15 MLD STP at Shermajra has been completed and the same is under stabilization. PWSSB apprised the timelines for commissioning of STPs in 2 MLD STP of Bhadson (31.12.2023), 4 MLD STP of Sanour (31.12.2022), 2 MLD STP of Ghanaur (31.12.2023) and 12 MLD STP of Nabha (31.12.2022).</p> <p>Garrison Engineer (MES), Patiala also apprised that the STP being installed by them shall completed by 15/11/2021</p>
Decision	The Municipal Corporation/ PWSSB/ PDA/ MES shall make out all efforts to complete the installation of STPs within prescribed timelines.
c)	Irrigation schemes to utilize the treated sewage
	<p>EO, MC, Rajpura has intimated that the irrigation scheme for the 7 MLD STP of Rajpura have already been commissioned and viability to utilize treated effluent of the 10 MLD STP is being undertaken along with the Department of Soil Conservation</p> <p>In Samana and Patran treated effluent is being used farmers for irrigation purpose when needed.</p> <p>PDA in its report submitted that treated sewage is being used for horticulture/construction proposes and it has constructed 1 MLD STP at Omaxe City, Paitala further, pipe line has been laid to utilize the same for irrigation.</p>
Decision	Municipal Corporation, Patiala, PDA and Department of Soil Conservation shall ensure that treated effluent shall be utilized to the maximum extent for construction as well as for irrigation purposes. In case of 10 MLD STP at Rajpura feasibility report be submitted without any further delay.
6.	Status of ETPs including performance
	It was apprised that effluent treatment plants installed by the industries located in the catchment area of River Ghaggar are being monitored regularly.
Decision	PPCB shall continue to monitor the ETPs of the industries located in catchment

		areas of River Ghaggar. In case of any violation, immediate action should be initiated against the non-compliant industry.
7.	Air pollution including noise pollution	
	i)	Action Plan for Clean Air – Patiala
		<p>The Hon'ble National Green Tribunal, New Delhi has passed orders on 15/3/2019 in O.A. No. 681 of 2018, wherein the National Green Tribunal has directed 06 states including Punjab to submit Action Plan for 09 non-attainment cities of Punjab namely Amritsar, Jalandhar, Ludhiana, Patiala, Dera Baba Nanak, Khanna, Mandi Gobindgarh, Naya Nangal and Derra Bassi by 30/04/2019 for bringing the Ambient Air Quality standards within the prescribed norms, failing which states would be liable to pay Environment Compensation of Rs. 1.00 Crore each. Action Plan of the State, if found to be deficient will be liable to pay Rs. 25.00 Lacs each.</p> <p>Action Plan for Clean Air, Patiala has been notified by the Directorate of Environment and Climate Change, Department of Science, Technology and Environment, Govt. of Punjab, Chandigarh on 30/4/2019, wherein timelines have been given to the stakeholders / departments to complete the activity related to them. Monitoring of the progress of activities under the Action Plan is being monitored by the following monitoring committees constituted at different levels in the above said action plan:</p> <ol style="list-style-type: none"> 1. AQMC at District Level under Deputy Commissioner 2. AQMC at State level under Principal Secretary, Environment 3. Steering Committee under Chief Secretary <p>It was apprised about the orders/ directions passed by the Hon'ble National Green Tribunal dated 08.04.2021 in the matter of O.A. No. 681 of 2018.</p> <p>Hon'ble NGT vide its order dated 08.04.2021 in O.A. No. 681/2018 has disposed of the subject cited application on the matter of air pollution in 124 non-attainment cities. It has been directed that Chief Secretaries may continue to monitor progress in execution of action plan at State Level with the assistants of monitoring cells in their offices and the AQMCs. Further, Hon'ble NGT has imposed heavy penalties for any delay in the execution of action plan beyond 01.11.2021 with following major directions/comments:</p> <ol style="list-style-type: none"> a. It was directed that any delay in execution of Action Plan beyond 01.11.2021 will render the concerned states liable to pay compensation at least @ Rs. 10 lacs per month with liberty to recover the amount from the erring officers. Further, such compensation must be credited to a separate account to be operated by the Chief Secretary and the amount will be spent for restoration of environment. b. Accountability for implementation of action plans needs to be fixed in terms of adverse entries in the ACRs and recovery of the compensation for non-compliance are imperative for fixing accountability. <p>PPCB has given Status of activities mentioned in the Action Plan</p>

		for clean air Patiala is to be updated by the Departments concerned in the attached Annexures.			
	ii)	Control of Noise Pollution			
		Sr. no.	Activity	Authority/ Deptt.	Decision
		1.	Categorization of areas into industrial, commercial, residential and silence area/ zone for the purpose of maintaining noise standard within different zones.	Within MC limits: Corporation/ MC/ NP Outside MC limits: Deptt. of Town & Country Planning Designated area: Authority Incharge of the area	The authorities concerned shall ensure the compliance of this activity within fixed time framed.
		2.	Completion of Master Plans of those cities where Master Plans are yet to be prepared for the purpose of implementation of noise standards.	Deptt. of Town & Country Planning	The authorities concerned shall ensure the compliance of this activity within fixed time framed.
		3.	Installation of sign boards "no horn" in silence zone.	Local Authority/ Department of Police	Police Department and Local Authorities shall ensure the compliance of this activity within fixed time framed.
		4.
