4.	Providing compartments and GPS in garbage carrying vehicles	<p>The Chairman of the Monitoring Committee decided that the MSW carrying vehicles should be compartmented (dry/wet) and GPS enabled by 30.06.2020.</p> <p style="text-align: center;">(Action by MCs.)</p>	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that 05 no. vehicles are GPS enabled. • M.C. Patti reported that 38 no. vehicles are compartmented and 03 no. tractors are GPS enabled. • N.P. Bhikhiwind reported that 13 no. vehicles are compartmented and 02 no. tractors are GPS enabled. • N.P. Khemkaran reported that 12 no. vehicles are compartmented. 	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that 05 no. vehicles are GPS enabled. • M.C. Patti reported that 38 no. vehicles are compartmented and 03 no. tractors are GPS enabled. • N.P. Bhikhiwind reported that 26 no. vehicles are compartmented and 02 no. tractors are GPS enabled. • N.P. Khemkaran reported that 12 no. vehicles are compartmented.
5.	Identification of Bulk Waste Generators and Management of Solid Waste.	<ul style="list-style-type: none"> • The Chairman of the Monitoring Committee decided that Municipal Council, Tarn Taran shall issue necessary directions to all the remaining 11 BWGs to make agreement to deliver their segregated (dry and wet waste) waste to the Municipal Council within 1 month. Municipal Council Tarn Taran shall get necessary user charges from all these BWGs. • The MCs shall identify the bulk waste generators and have to be directed to them to manage the wet waste in their premises in Environmentally sound manner. <p style="text-align: center;">(Action by MCs.)</p>	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that 13 nos. BWG identified, out of which 02 no. bulk waste generators are provided compost pits, 05 nos. ready for the construction of pits and 06 nos. BWG got lifted their MSW by paying user fee to the MC. • M.C. Patti reported that there are 19 no. of bulk waste generators, out of which 02 nos. are provided with compost pits and 17 nos. got lifted their MSW by paying user fee to the MC. • N.P. Bhikhiwind reported that there is no bulk waste generator. • N.P. Khemkaran reported that there is no bulk waste generator. 	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that 13 nos. BWG identified, out of which 02 no. bulk waste generators are provided compost pits, 05 nos. ready for the construction of pits and 06 nos. BWG got lifted their MSW by paying user fee to the MC. • M.C. Patti reported that there are 19 no. of bulk waste generators paying user fee to the Swachhta Club. • N.P. Bhikhiwind reported that there is no bulk waste generator. • N.P. Khemkaran reported that there is no bulk waste generator.
6.	Frequency of sweeping in Public Places, Residential area, Commercial Areas and No. of wards covered with daily sweeping.	<p>All the Municipal Councils shall ensure that sweeping in public places, commercial areas and residential areas are conducted atleast once in day time and once in night time.</p> <p style="text-align: center;">(Action by MCs.)</p>	<p>M.C. Tarn Taran = Twice a day M.C. Patti = Twice a day N.P. Bhikhiwind = Twice a day N.P. Khemkaran = Twice a day</p>	<p>M.C. Tarn Taran = Twice a day M.C. Patti = Twice a day N.P. Bhikhiwind = Twice a day N.P. Khemkaran = Twice a day</p>

7.	Treatment / Bio Remediation of Legacy Waste	<p>i) All the Municipal Councils Tarn Taran, Patti, Bhikhiwind and Khemkaran shall submit details of the legacy waste lying dumped at the solid waste dumping sites w.r.t. its quantity, area occupied, location, other features and measures taken for the protection of the site within 3 days.</p> <p>ii) The boundary and green belt around the legacy waste dump site shall be provided by each MC namely Tarn Taran, Patti, Bhikhiwind and Khemkaran within 2½ months. In order to show the seriousness to adhere to the said time schedule, MC Tarn Taran and Patti shall submit a bank guarantee of Rs. 1 Lakh as an assurance to Punjab Pollution Control Board within 07 days to comply with the said directions. If by the time given, the target is not achieved by the Municipal councils, Punjab Pollution Control Board is free to encash the said bank guarantee treating it as a compensation for the damage caused to the environment.</p> <p>iii) All the MCs shall ensure that boundary wall and green belt may also be provided around the new dump site of solid waste, if any, within 2½ months.</p> <p>iv) The treatment of legacy Waste shall be started by each MC namely Tarn Taran, Patti, Bhikhiwind and Khemkaran within 2½ months. In order to show the seriousness to adhere to the said time schedule, MC, Tarn Taran and Patti shall submit a bank guarantee of Rs. 1 Lakh as an assurance to Punjab Pollution Control Board within 07 days to comply with the said directions. If by the time given, the target is not achieved by the Municipal councils, Punjab Pollution Control Board is free to encash the said bank guarantee treating it as a compensation for the damage caused to the environment.</p> <p style="text-align: right;">(Action by MCs.)</p>	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that bailing machine, grinder machine, JCB and trommel machine has been purchased, plinth bed is being prepared and process will be started within a week. 20 nos. bail has been made. • M.C. Patti reported that order of mechanical separator has been installed but currently not in operation. <i>The Chairman directed to provide fencing and green belt around the MSW dumping site and tenders to be provided.</i> • N.P. Bhikhiwind reported that mechanical separator has been installed. Boundary wall is not possible as the land does not belong to N.P. Bhikhiwind. • N.P. Khemkaran reported that mechanical separator and bailing machine not received yet and the dumping site has been provided with green belt. <i>The Chairman directed M.C. Patti to provide compost pits is still pending.</i> 	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that bailing machine, grinder machine, JCB and trommel machine has been purchased, plinth bed is being prepared and process will be started within a one month. 20 nos. bail has been made. • M.C. Patti reported that order of mechanical separator has been installed but currently not in operation due to technical problem <i>The Chairman directed to provide fencing and green belt around the MSW dumping site and tenders to be provided.</i> • N.P. Bhikhiwind reported that mechanical separator has been installed. Boundary wall is not possible as the land does not belong to N.P. Bhikhiwind. • N.P. Khemkaran reported that mechanical separator and bailing machine not received yet and the dumping site has been provided with green belt. <i>The Chairman directed M.C. Patti to provide compost pits is still pending.</i>
----	---	--	---	--

8.	Onsite composting in Parks to manage horticulture waste/dry waste	<p>The Chairman of the Monitoring Committee decided that the Municipal Council Patti shall also construct compost pits in the new park simultaneously with the completion of the construction work of new park.</p> <p style="text-align: center;">(Action by MCs.)</p>	<p><i>The Chairman directed M.C. Patti to provide compost pits in the newly built park.</i></p>	<p><i>As it was reported earlier</i></p>
9.	Status of Material Recover Facility (MRF), segregation of recyclable and non-recyclable plastic waste, disposal to the authorized recycler.	<p>i) Municipal Councils, Tarn Taran, Patti, Bhikhiwind and Khemkaran shall construct adequate number of MRFs to segregate the dry waste and manage the plastic waste within 3 months. In order to show the seriousness to adhere to the said time schedule, each MC shall submit a bank guarantee of Rs. 1 Lakh as an assurance to Punjab Pollution Control Board within 07 days to comply with the said directions. If by the time given, the target is not achieved by the Municipal councils, Punjab Pollution Control Board is free to encash the said bank guarantee treating it as a compensation for the damage caused to the environment.</p> <p>ii) All the Municipal Councils shall construct dedicated room for storage of plastic waste collected either from MRFs or confiscated during raids/surprise inspections or during source segregation within 2 months.</p> <p style="text-align: center;">(Action by MCs.)</p>	<ul style="list-style-type: none"> • M M.C. Tarn Taran reported that 01 no. MRF is operational and the second is under construction. • M.C. Patti reported that due to agitation of the public no MRF could be constructed on the earlier proposed site. <p><i>The Chairman directed MC Patti that other suitable site may be identified and at least 01 MRF should be provided.</i></p> <ul style="list-style-type: none"> • N.P. Bhikhiwind reported that 01 MRF shed has been provided. • N.P. Khemkaran told that 01 MRF shed has been provided. <p>AEE informed that bank guarantee of Rs. 1.00 Lakh each has been submitted by M.C. Tarn Taran & N.P. Bhikhiwind. M.C. Patti, and Khemkaran not submit the bank guarantee of Rs. 1.0 Lakh and also they will inform that Bank Guarantee we will be submit within 07 days.</p>	<ul style="list-style-type: none"> • M.C. Tarn Taran reported that 01 no. MRF is operational and the second is under construction. • M.C. Patti reported that due to agitation of the public no MRF could be constructed on the earlier proposed site. <p><i>The Chairman directed MC Patti that other suitable site may be identified and at least 01 MRF should be provided.</i></p> <ul style="list-style-type: none"> • N.P. Bhikhiwind reported that 01 MRF shed has been provided. • N.P. Khemkaran told that 01 MRF shed has been provided. <p>AEE informed that bank guarantee of Rs. 1.00 Lakh each has been submitted by All MCs and NPs</p>
10.	Issuance of Challan and collection of fine w.r.t. burning and littering of solid waste.	<p>All the Municipal Councils shall continue to make surprise inspections w.r.t. use/selling of plastic carry bags and burning & littering of Solid Waste and the violators may be issued challans and fine of suitable amount may be</p>	<ul style="list-style-type: none"> • M.C.
