PUNJAB POLLUTION CONTROL BOARD

No. 6539

Through Email Only

Dated 11-11-2021

To

The Director,
Directorate of Environment and Climate Change (DECC),
Department of Science Technology & Environment, Govt. of Punjab,
MIGSIA Complex, Sector-26, Chandigarh - 160019.

Subject: Regarding preparation & submission of modified District Environment Plan in compliance of Hon'ble NGT order dated 26.09.2019 in the OA no. 360 / 2018 titled as Shree Nath Vs Union of India & Others – District Sangrur & Malerkotla.

Reference: NGT Monitoring Committee office letter endst. no. CMC/2021/488 dated 09.11.2021.

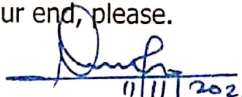

It is intimated that earlier revised District Environment Plan (DEP) of District Sangrur was prepared in consultation with the stakeholder departments and sent to Director, Directorate of Environment & Climate Change, Chandigarh vide letter no. 6517 dated 29.10.2021.

Thereafter, a meeting was taken by the Monitoring Committee on 26.10.2021 in the office of Monitoring Committee, Forest Complex, Sector-68, SAS Nagar to review the District Environment Plan of District Sangrur & Malerkotla. There were certain suggestions / amendments, which were suggested by the Committee and required to incorporate in the District Environment Plan.

Now, all the suggestions / amendments have been incorporated in the District Environment Plan of District Sangrur & Malerkotla and same is enclosed herewith for taking further necessary action at your end, please.

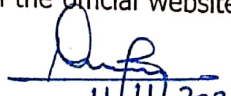

DA/As above

Ends. No. 6540-6543

o/c Environmental Engineer
Dated 11-11-2021

A copy of the above is forwarded to the following for information, please:-

1. Dr. Babu Ram, Technical Expert, Monitoring Committee, SAS Nagar.
2. Deputy Commissioner, Sangrur & Malerkotla.
3. Member Secretary, Punjab Pollution Control Board, Head Office, Patiala.
4. Environmental Engineer (Computer), Punjab Pollution Control Board, Head Office Patiala with the request to upload the DEP on the official website of PPCB.

District Profile

The District of Sangrur takes its name from its headquarters town, Sangrur. Earlier, the area fell in the Nabha Princely State. While reportedly established around 400 years ago by a Jat called Sanghu, settlements in Sangrur trace back to the pre-Harappan period. Recent excavations in Rohira in Sangrur have revealed a 10-metre high mound with settlements dating back to 2300 BC. Excavations from Mard Khara village have led to the discovery of pottery from the Harappan period. Remnants of pottery from the Kushan period have also been discovered. Sangrur district ranks 2nd in area and 7th in population. Malerkotla is the most populous and Lehra is the least populous tehsil.

The administrative district of Sangrur was created in 1948 and new formation of District Sangrur came into existence after the separation of district Barnala in 2007. Total geographical area of the district is 3625 sq. km. The district falls in the Southern part of the Punjab State & falls between 29°-4' & 30°-4' North latitude and 75°-18' and 76°-13' East latitude. It is one of the five districts in Patiala Division in Indian state of Punjab. The district shares its boundaries with Ludhiana district in North, Patiala district in East, Barnala district in the West & Hissar district of Haryana in its South. The District has 9 sub divisions mainly Sangrur, Sunam, Dhuri, Bhawanigarh, Ahmedgarh, Dirba, Malerkotla, Lehra & Moonak and there are 13 ULBs namely Sangrur, Sunam, Ahmedgarh, Malerkotla, Dhuri, Bhawanigarh, Lehra, Amargarh, Dirba, Khanouri, Cheema, Longowal & Moonak and 589 villages . The district is well connected with rail & road with all parts of the state.

a. District Administrative Set-up

b. Local Institutions

The Sangrur district is divided into nine sub-divisions (tehsils) namely Sangrur, Bhawanigarh, Dhuri, Malerkotla, Ahmedgarh, Sunam, Lehra, Moonak & Dirba & also comprising five blocks viz. Sherpur, Malerkotla, Lehra, Dhuri & Andana for the purpose of administration and 610 no. villages and 600 no. Gram Panchayats in District Sangrur.

c. Natural Resources`

▪ Water bodies

There is one river namely Ghaggar, drain namely Lissara and some other drains which are passing from the jurisdiction of District Sangrur and the same are as under:

River Ghaggar

River Ghaggar originates from Sirmour Hills in Himachal Pradesh, flows through the Morni Hills in Haryana, enters into the State of Punjab near Village Mubarakpur, Distt. Mohali. After passing through District Mohali, District Patiala and District Sangrur, it passes through State of Haryana and then re-enters into District Mansa of Punjab. The river Ghaggar and the drains, meeting with river, are non-perennial and carry surface run off from fields falling in their catchment area during rainy season. However, sewage / sullage of some of the cities, towns and villages situated along the river Ghaggar and other drains is also discharged into the river directly or indirectly through drains/choe etc. The River Ghaggar enters the distt. Sangrur near Khanauri and leaves the Distt Sangrur near Moonak.

There are drains / choes namely Kaithal drain, Jhambowali Choe, Lehragaga Main drain, Sirhind Choe, Sangrur drain, Balian drain, Baretta, Bahadur Singh Wala drain and Bhagwanpura link drain which are passing through District Sangrur and meeting with river Ghaggar indirectly.

Lissara Drain

Lissara drain enters in District Sangrur at R.D 264000 at village Saraudh and passes through the jurisdiction of District Sangrur upto RD 145000 at village Tibba. No industrial unit is discharging its treated / untreated effluent into the said drain. However, wastewater generated from Malerkotla town and villages is being discharged into this drain. Further, M/s Shreyans Industries Ltd., Ahmedgarh is also discharging its treated trade effluent @ 8800 KLD into Tallewal drain during no demand period, which ultimately leads to Lissara drain. In this regard, the industry had already obtained permission from the Department of Irrigation for discharge of treated trade effluent into Tallewal drain.

- **Availability of Water Resources**

The major source of water in District Sangrur is ground water. However, as per the latest data available on the CGWB website, following blocks of Distt. Sangrur have been notified for control and regulation in Ground Water:

Sr. No.	Place / Block / Mandal / Taluka	Date of Notification
1.	Dhuri, Sunam, Sherpur & Malerkotla	13.08.2011
2.	Sangrur	02.12.2006

The net ground water resources of the district have been estimated to be 1393.22 MCM and gross ground water draft of the district is 3672.44 MCM. leaving behind a short fall of 2292.99 MCM . The stage of ground water development in the district is 264%.

- **Forest coverage**

The Detail of Forest area of District Sangrur is as under:-

Geographical Area (GA)	2017 Assessment				% of Geographical Area
	Very Dense Forest	Mod. Dense Forest	Open Forest	Total	
3625	0.00	6.00	17.0	23.0	0.63

d. Geography & Demography

Description	Facts
Population	1655169
Male	878029
Female	777140
Population Growth	12.35 %
Area Sq. Km	3625
Density/km2	457
Proportion to Punjab Population	5.97 %
Sex Ratio (Per 1000)	885
Child Sex Ratio (0-6 Age)	840
Average Literacy	67.99

e. Land-use pattern

Sr . No.	Title	Data of District Sangrur (Area Hac)
1.	Geographical area	362.0
2.	Cultivated area	311
3.	Forest area	5
4.	Land under non agricultural use	42
5.	Permanent pastures	-
6.	Cultivated wasteland	-
7.	Land under Misc. tree crops and groves	-
8.	Barren and un cultivated land	-
9.	Current fallows	3
10.	Other fallows	-

f. Climate

The climate of Sangrur district can be classified as tropical steppe, semi-arid and hot which is mainly dry with very hot summer and cold winter except during monsoon. There are four seasons in a year. The hot weather season starts from mid March to last week of the June followed by the south west monsoon which lasts upto September. The transition period from September to October forms the post monsoon season. The winter season starts late in November and remains upto first week of March.

The average annual rainfall in the district is about 590 mm, the maximum (about 73 per cent) falling in the months of July to September, July being the wettest month. The rainfall in the district increases from south-west towards the northeast and varies from about 490 mm, at Sunam to about 670 mm at Malerkotla. There is some rain, mostly in the form of thundershowers, during the pre-monsoon month of June. Some rain is also received with passing western disturbances during winter. The variation in the annual rainfall from year to year is large. The district is scarcely affected by monsoon depressions. During the cold season, passing, western disturbances affect the weather over the district causing few thunder storms. Rain during June and the monsoon season is often accompanied with thunder. Dust storms occur occasionally during the hot season. The average annual temperature is 24.1 °C | 75.3 °F in Sangrur.

ACTION PLAN

WASTE MANAGEMENT PLAN

4.	Awareness and education programs implementation	No Gap	Awareness is being created amongst the public by organizing seminars,	MCs/NPs	Regular activity

			through school children, by providing banners at prominent places of the city etc. The MCs/NPs are conducting meetings with owners of hotels / restaurants / marriage palaces to eliminate single use plastic.		
5.	Access to Plastic Waste Disposal Facilities	MC Sangrur executed an agreement with Max Specialty Films to purchase / collect any kind of plastic / garbage.	The use of plastic waste in road construction and in industrial sector like pyrolysis plants, recyclers etc. is being made by remaining MCs/NPs.	MCs/NPs	Regular Activity
6.	Plastic Industry Registration. Total no. of plastic unit required registration. Total no. of plastic unit obtained registration. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	Total units – 18 Registration obtained – 8 Gap - 10	The industrial units who are not registered under plastic rules are being pursued for obtaining registration by the Board	PPCB	30.06.2022
7.	Development and setting up of infrastructure for segregation, collection, storage, transportation, Processing, and disposal of Plastic Waste either on its own for by engaging agencies or producers. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	Inadequate disposal arrangement of plastic waste	<ul style="list-style-type: none"> • PMIDC came into contract with one agency MAX speciality Films in this regard to purchase/collect any kind of plastic garbage from the ULBs. • PMIDC coordinated with PWD and Mandi Board to utilize plastic waste in Roads. • More effective Disposal facility needs to be engaged under 	MCs / NPs	31.03.2022

			guidance of PMIDC		
8.	Framing of bye-laws incorporating the provisions of Plastic Waste Management Rules, 2016. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	ULBs- Already made Rural areas- yet to frame	MCs/NPs already framed Rural Panchayats = yet to prepared	MCs/NPs and DDPO	Activity already completed 31.03.2022
9.	Set up, operationalize and co-ordinate for Plastic Waste management in Rural area. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	Inadequate	Proposal is yet to be prepared	DDPO	Preparation of action plan - 31.03.2022 Implementation – 30.06.2025 By 30.06.2022 - 150 VPs By 30.06.2023 - 150 VPs By 30.06.2024 - 150 VPs By 30.06.2025 - 160 VPs
10.	Ban on non-recyclable single use polythene bags. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	ULBs - Initiated	Ban has been already imposed by the State Govt., on sale, purchase, manufacturing and stock of plastic carry bags. The MoEF & CCP vide its notification dated 12.08.2021 has banned Single use plastic with effect from 1.07.2022. Further, the guidelines of the Centre and State Govt., regarding banning of single use plastic will be complied with.	ULBs & PPCB	Activity already completed
11.	Segregation, collection, storage, transportation of plastic waste and channelizing of recyclable plastic	No gap.	Recyclable plastic waste is collected, transported and stored separately by all ULBs. Currently such plastic is being stored at MRF.	ULBs	Activity already completed

	waste fraction to recycler having valid registration. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021	In Villages – not adequate.	Action plan is yet to be prepared	DDPO	Preparation of action plan - 31.03.2022 Implementation – 30.06.2025 By 30.06.2022 - 150 VPs By 30.06.2023 - 150 VPs By 30.06.2024 - 150 VPs By 30.06.2025 - 160 VPs
12.	Awareness to the waste generator to take steps to minimize the plastic waste and segregate plastic waste at source. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	No Gap	Awareness is being carried out on regular basis by organizing camps.	ULBs & DDPO	Regular activity
13.	Encouragement to the education institute to take up waste management in their curriculum and create student project for waste recycling. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	No gap	Already being followed and seminars are being organized.	DEO (Primary & Secondary)	Regular activity
14.	Directions to Gram Panchayat to perform functions such as ensuring segregation, collection, storage, transportation, plastic waste and channelization of recyclable plastic waste fraction to recyclers having valid registration. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	Initiated	Directions are already been given to BDPO's ensuring segregation, collection, storage, transportation, plastic waste and channelization of recyclable plastic waste fraction to recyclers having valid registration	DDPO	Regular activity

15.	Creating awareness among all stakeholders about their responsibilities, and ensuring that open burning of plastic waste does not take place. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	No gap	All stakeholders are being made aware regarding their responsibility regarding burning of plastic waste. Action against violators is also being taken as per rules.	All local bodies	Regular activity
16.	To ensure proper plastic waste management, industries may be directed to explore the possibilities of use of such wastes in construction of roads. Further industries may also be directed to collaborate with different research institutes to explore such alternatives. (Directions of Hon'ble NGT in EA no. 13/2019 dated 08.01.2021)	Initiated	Instructions are being given to the industries regularly to explore the possibility of use of plastic waste in a scientific manner like in road construction etc. in consultation with research institutes.	PPCB	Regular activity

3. C & D Waste Management

▪ a. Current status related to C & D Waste

Details of Data Requirement	Present Status
Total C & D waste generation in MT per day (As per data from Municipal Corporations / Municipalities)	MC Bhawanigarh – 0.4 MT NP Cheema – 0.1 MT NP Dirba – 0.2 MT MC Dhuri – 12 MT NP Khanauri – 0.3 MT MC Longowal- 0.5 MT MC Lehragaga- 0.6 MT NP Moonak- 0.4 MT MC Sangrur- 30 MT MC Sunam- 27 MT MC Ahmedgarh- 0.6 MT NP Amargarh-0.1 MT MC Malerkotla-32 MT Total –104.2 MTD
Does the District has access to C&D waste recycling facility?	No

b. Identification of gaps and Action plan:

S. No.	Action points for blocks / town municipalities / City corporations	Identification of Gaps	Action Plan	Responsible agency	Timeline for completion of action plan
1.	Arrangement for separate collection of C&D waste to C&D waste deposition point.	All the MCs/NPs have already identified sites and made operational for separate collection of C & D waste	Already completed	MCs / NPs	Activity completed
2.	Whether local authority have fixed user fee on C&D waste and introduced permission system for bulk waste generators who generate more than 20 tons or more in one day or 300 tons per project in a month?	No gap	Already fixed	MCs/NPs	Activity completed

3.	C&D recycling Facility	Presently, there is no C&D recycling Facility in the District.	Department of Urban Development is preparing proposal for installation of recycling facility.	ADC (UD)	<ul style="list-style-type: none"> • Preparation of proposal 31.03.2022 • Implementation - 30.04.2023
4.	Usage of recycled C&D waste in non-structural concrete, paving blocks, lower layers of road pavements, colony and rural roads	Presently there is no C&D recycling facility in the District. No C&D waste is being recycled.	Department of Urban Development is preparing proposal for installation of recycling facility. Once, the recycling facility will be installed, C&D waste will be recycled.	MCs/NPs	<ul style="list-style-type: none"> • Preparation of proposal 31.03.2022 • Implementation - 30.04.2023
5.	IEC on C & D waste management	No gap	Awareness is being made through media, NGOs & radio.	MCs/NPs	Regular Activity

4. Biomedical Waste Management

a. Current Status related to biomedical waste

Inventory of BMW in the District	Quantity
Total no. of Bedded Healthcare Facilities	168
Total no. of non-bedded HCF	339
No. of HCFs authorized by SPCBs/PCCs	All HCFs are authorized once
No of Common Biomedical Waste Treatment and Disposal Facilities (CBWTFs)	0
Capacity of CBWTFs	NA
No. of Deep burials for BMW if any	0
Quantity of biomedical waste generated per day	260 kg/day
Quantity of biomedical waste treated per day	260 kg/day

b. Identification of gaps and Action plan:

S. No.	Action points	Gaps	Action Plan	Responsible agency	Timeline for completion of action plan
1.	Inventory and Identification of Healthcare Facilities	HCFs have been identified and inventorized.	Regular camps are being organized to pursue the HCFs to obtain the authorization. Also, identification of new HCFs is being carried out on regular basis.	PPCB	Regular activity
2.	Adequacy of facilities to treat biomedical waste	No gap	The bio-medical waste of Distt. Sangrur is being lifted by CBWTF, Ludhiana for treatment.	PPCB	Regular activity
3.	Tracking of BMW	No gap	Bar code system has already been implemented by all HCFs and CBWTFs. Also, the bio-medical waste carrying vehicles are equipped with VPS system and being monitored on regular basis.	PPCB	Activity completed

4.	Awareness and education of healthcare staff	No gap	Training programmes are being organized for all stakeholders from time to time.	PPCB & HCFs	Regular activity
5.	Adequacy of Funds	No gap	Pvt. HCFs – Funds available Govt. HCFs – Funds are arranged from time to time as per requirement.	CMO	Regular activity
6.	Compliance to Rules by HCFs and CBWTFs	No gap	The HCF are being visited by PPCB to check the compliance of BMW Rules. The HCFs are being pursued to install ETP cum STP in their premises to treat wastewater	PPCB & HCF	31.03.2022
7.	District Level Monitoring Committee	No gap	Meetings are taken almost on monthly basis by DEC	District Administration & PPCB	Regular activity
8.	Wastewater Treatment	<ul style="list-style-type: none"> • Total HCFS Required ETP = 168 • Total HCF install ETPs = 12 • Gap = 158 	HCFs are being pursued to install the wastewater treatment facility. The meetings are being held association level to get the compliance from HCFs.	PPCB	31.03.2022
9.	Disposal of radioactive materials. With the proliferation of radiotherapy, nuclear medicine, X Rays, CT Scans and other equipment's using radioactive materials. (Directions of Hon'ble NGT in OA no. 710 of 2017 dated 18.01.2021)	No gap	<ul style="list-style-type: none"> • Most of the Hospitals now have provided the digital X-Ray, hence no such waste is generated from digital X-ray. • The Hospitals which have not provided the digital x-ray machine have made the agreement with the authorized agency for the disposal of its waste. 	Health department	Activity Completed

5. Hazardous Waste Management

a. Current Status related to Hazardous Waste Management

Details of Data Requirement	Present Status
No of Industries generating HW	84
Quantity of HW in the district (MT/Annum)	17228.89
(i) Quantity of Incinerable HW (MT/Annum)	90.84
(ii) Quantity of land-fillable HW(MT/Annum)	1791.82
(iii) Quantity of Recyclable / utilizable HW (MT/Annum)	15,346.23
No of captive/common TSDF	0
Contaminated Sites or probable contaminated sites	1

b. Identification of gaps and action plan:

Sr. No.	Action points	Identification of Gaps	Action Plan	Responsible agency	Timeline for completion of action plan
1.	Regulation of industries and facilities generating Hazardous Waste	The hazardous waste generating industries have already been identified and inventorized. <ul style="list-style-type: none"> • No. of HW generating units: 84 • No. of authorized Industries: 84 	Regular camps are being organized to pursue the industries to obtain the authorization. Also, new hazardous waste generating industries are being identified after making field visits.	PPCB	Regular activity
2.	Establishment	No gap.	The industries generating hazardous waste have already executed an agreement with TSDF and authorized recyclers for disposal of hazardous waste. However, a continuous follow up will be made to rule out	PPCB	Regular activity

			unscientific disposal of hazardous waste by the industrial unit		
3.	Training of workers involved in handling / recycling / disposal of HW	No gap	The workers are being trained time to time for the management and handling of hazardous waste in industrial units.	Department of Industries and PPCB	Regular activity
4.	Availability / Linkage with common TSDF or disposal facility	No gap.	The hazardous waste generating industries have already executed an agreement with TSDF and authorized recyclers for lifting of hazardous waste from their premises. However, new identification of hazardous waste generating industries is being carried out regularly.	PPCB	Regular activity
5.	Contaminated Sites	1	The matter is pending in the Hon'ble NGT and has already constituted the Committee to access the extent of contamination and preparation of remediation plan in the matter of OA no. 169 / 2021. The CPCB & PPCB have been made nodal agencies in the said matter. The next date of hearing in the matter is 12.11.2021.	CPCB & PPCB	Not yet fixed.

6. E-Waste Management

a. Current Status related to E-Waste Management

Details of Data Requirement	Present Status
Inventory of E-Waste in MT/year	Not available
Collection centers established by ULBs in the District	2
Collection centers established by Producers or their PROs	0
No authorized E-Waste recyclers /Dismantler	0

b. Identification of gaps and action plan:

S. No.	Action points	Gaps in implementation	Action Plan	Responsible agency	Timeline for completion of action plan
1	Inventory / Generation of E-Waste / Bulk-waste generators	Inventorization of E-Waste / bulk waste generator is under process.	To inventorize / identify all the e-waste generating establishments and bulk generators.	PPCB	30.03.2022
2	E-Waste collection points	Already provided	Already established	MCs/NPs	Activity completed
3	Linkage among Stakeholders to channelize E-Waste	Linkage among Stakeholders is being done	Work under progress	MC/NP	31.03.2022
4	Regulation of Illegal E-Waste recycling / dismantling	Not initiated	Surprise visits will be made to identify illegal e-waste recyclers / dismantlers	District Administration & PPCB	31.12.2022
5	Integration of informal sector	Being done.	Being prepared.	District Administration & PPCB	31.03.2022
6	Awareness and Education	Initiated	Special workshops and awareness campaigns through Producers / PROs is being carried out	District Administration & PPCB	Regular activity
7.	Identification of Producers who have not obtained, EPR Authorization (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Initiated	This is a continuous activity and will be followed.	SPCBs/ PCCs/Custom department	Regular activity

8.	Verification of quantity of e-waste collected by producers(Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Yet to initiate	This is a continuous Activity. All the EPR Authorized Producers will be verified.	PPCB	Regular activity
9.	Verification of systems provided by producers for collection and channelization of e-waste. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Yet to initiate.	This is a continuous activity. All the EPR authorized producers will be verified.	PPCB	Regular activity
10.	Verification of facilities of dismantlers and recyclers for their infrastructure and records. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Yet to initiate.	This is a continuous activity. All the dismantlers/recyclers will be verified.	PPCB	Regular activity
11.	Checking of informal trading, dismantling, and recycling of waste. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Yet to initiate.	Quarterly drive will be carried out checking of this activity.	District Administration/PPCB	Regular activity
12.	Governance framework for monitoring compliance. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Yet to initiate.	Regular Monitoring will be carried out to check the compliance.	District administration/PPCB.	Regular activity
13.	Capacity building at district level. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	Workshops/seminars to educate functionaries is being organized on regular basis.	District Administration, PPCB & Local bodies.	Regular activity
14.	IEC plan be firmed up and executed. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	IEC plan has been prepared by state and being implemented in all ULBs widely.	District Administration, PPCB & Local bodies.	Regular activity

15.	Strengthen system of enforcement. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	Being carried out from time to time.	District Administration, PPCB & Local bodies	Regular activity
16.	Allocation of proper space to the existing and upcoming industrial units for e-waste dismantling and recycling. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	Not initiated	There is 1 no. industrial focal point at Sangrur and 1 no. industrial estate, Malerkotla. Proposal is being prepared for allocation of space to the e-waste dismantling and recycling units	PSIEC	Under consideration
17.	Recognition and registration of workers involved in dismantling and recycling, undertake industrial skill development activities for the workers involved in dismantling and recycling. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	Recognition and registration of workers involved in dismantling and recycling and industrial skill development activities for the workers involved in dismantling and recycling will be done on regular basis	Labour Department	Regular Activity
18.	Annual monitoring to ensure health and safety of workers involved in such activities. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	Will be Ensured on Annual basis.	Director of Factories	Regular Activity
19.	Separate waste deposition centers for domestic E-waste which helps in easy segregation of E-waste. (Directions of Hon'ble NGT in OA no. 512/2018 dated 15.01.2021)	No gap	Already completed	All Local Bodies	Activity completed.

3.0 Air Quality Management

a. Current Status related to Air Quality Management

Details of Data Requirement	Present Status
Number of Automatic Air Quality monitoring stations in the district. - Operated by SPCB / State Govt / Central govt./ PSU agency : - Operated by Industry:	0 0
Number of manual monitoring Stations operated by SPCBs	3
Name of towns / cities which are failing to comply with national ambient air quality stations	0
No. of air pollution industries	1175
No. of units installed APCD	1175
Status of Air consent	1175 (once granted)
Prominent air polluting sources	Paper Industry / Food Processing / Milk Plants / Rice Shellers / Brick Kilns/ Burning of Waste stubble / Vehicular pollution.

b. Identification of gaps and action plan:

S. No.	Action points	Indicative Action Plan	Responsible agency	Timeline for completion of action plan.
1.	Identification of prominent air polluting sources?	Small scale Industry (brick kiln & rice sheller), Unpaved Roads, Burning of Waste Stubble & Vehicular pollution.	PPCB, PWD & Agriculture Department	Regular activity
2.	Ambient Air quality data?	Three no. air quality monitoring stations have already been installed at village Mastuana Sahib, Kila Bharian & Naudharani Distt. Sangrur. The data of said stations is being uploaded on official website of PPCB on regular basis. Web link: ppcb.gov.in/en/air-quality	PPCB	Regular Activity

3.	Setting up of Continuous Ambient Air Quality Monitoring Station (CAAQMS)	At present, there is no proposal for installation of CAAQMS at District Sangrur as this district does not falls in the list of non-attainment cities.	PPCB	Not yet prescribed
4.	District Level Action Plan for Air Pollution	District Sangrur does not falls in the list of non-attainment cities. Hence not applicable.	PPCB	Not yet prescribed
5.	Hotspots of air pollution in District	District Sangrur does not falls in the list of non-attainment cities. Hence not applicable.	PPCB	Not yet prescribed
6.	Awareness on Air Quality	Awareness is being carried out on regular basis. The data of air quality monitoring station is also uploaded on official website of PPCB to create awareness to the public. Web link: ppcb.gov.in/en/air-quality	PPCB	Regular activity
7.	Conversion of Natural Draft Brick Kilns to Induced Draft Brick Kilns	All the operational brick kilns have already been converted into induced draft technology	PPCB	Activity already completed
8.	Maintain pothole free roads / timely patchwork on roads	Patchwork of roads is a continuous process. As and when potholes are developed, the same are got repaired as soon as possible.	PWD	Regular activity
9.	Procurement of Mechanical sweeping machines	Only required by MC Sangrur and same had already been purchased and in use.	MC Sangrur	Activity already completed
10.	Plantation of trees along highways, drains, Nallahs in colonies and canals etc.,	Plantation is being carried out from time to time.	MCs/NPs	Regular activity
11.	Greening of parks, open areas, community places, schools and housing societies	Plantation drive will be carried out on regular basis to have a more plantation at different locations.	PPCB, Forest Dept.	Regular activity
12.	Kaccha/Brick Paved Roads to be made Pucca roads	The Paved roads/kaccha roads will be converted into pucca roads in each ULBs.	MCs/NPs	30.06.2022
13.	Existing roads requiring recarpeting	The roads of ULBs presently are in good condition. The re-carpeting will be done as and when required.	MCs/NPs	Regular activity

14.	Public awareness campaign for control of vehicular emissions	The camps are being organized on regular basis. Facebook, Twitter & Instagram) is also being used to spread traffic awareness. Quarterly camp will be organized for awareness.	Traffic Police, Transport Department	Regular activity
15.	Extensive drive against polluting vehicles	This drive against polluting vehicles has already been initiated by the Police department.	Traffic Police	Regular activity
16.	Prevention parking of vehicles in non-designated areas by enforcement actions	This drive has already been initiated by the Police department to prevent parking of vehicles in non-designated areas. Challans are also been issued to the violators.	Traffic Police	Regular activity
17.	Phasing out commercial diesel vehicles more than 15 years old	Scheme under consideration.	Transport	31.12.2022
18.	Promotion of E-Vehicles	Promotion of E-vehicles is being carried out.	Transport	Regular activity
19.	Infrastructure development for additional of CNG based autos/taxis	Infrastructure will be developed to promote CNG based autos/taxis. Also IEC activities will be carried out to create awareness in this regard.	DFSC	31.03.2022
20.	Control of open burning of biomass.	Regular monitoring is being done in each ULB.	MCs/NPs	Regular activity
21.	Dissemination of Air Quality Index by installing CAAQMS	At present, there is no proposal for installation of CAAQMS at District Sangrur as this district does not falls in the list of non-attainment cities.	PPCB	Not required
22.	Dissemination of Air Quality Index by installing display boards in the city	At present, there is no proposal for installation of CAAQMS at District Sangrur as this district does not falls in the list of non-attainment cities.	PPCB	Not required
23.	Quality Management Division (AQMD) at PPCB (HQ) Establishment of an Air Quality Monitoring Station	Work is under progress.	PPCB	31.12.2021
24.	Establishment helpline in each city as well as SPCB HQ	Head Office level Helpline number is 1800 120 3667 for whole of the state.	PPCB, Lab	Completed

25.	Scope for public participation on remedial measures like plantations. (Directions of Hon'ble NGT in OA no. 360/2018 dated 05.07.2021)	Plantation and maintenance will be done by public participation mode.	Department of forest	Regular Activity
26.	For development of plantation along the highways.	This derive will be carried out on regular basis for development of plantation along the highways.	PWD & Deptt. of Forest	Regular Activity
27.	Steps to be taken for management of agriculture waste/residue	<ul style="list-style-type: none"> In order to management of agriculture waste / residue, Deptt. of Agriculture is providing machines to the farmers by giving subsidy on the rates. IEC activities like farmer training camps, Hoarding and field demonstrations are also being carried out to spread the awareness amongst the farmers. 	Agriculture department	Regular Activity.

4.0 Water Quality Management

4.1 Water Quality Monitoring

a. Current Status related to Water Quality Management

Details of Data Requirement	Present Status
Rivers	1
Length of Coastline (if any)	0
Nalas/ Drains/Creeks meeting Rivers	3
Lakes / Ponds	870
Total Quantity of sewage from towns and cities in District	89 MLD
Quantity of industrial wastewater	17.55 MLD
Percentage of untreated sewage	75.28 %
Details of bore wells and number of permissions given for extraction of groundwater	No of Borewell =106226
Groundwater polluted areas if any	1
Polluted river stretches if any	0

b. Identification of gaps and action plan for water quality monitoring:

S. No.	Action points	Gaps and Action Plan	Responsible agency	Timeline for completion of action plan
1.	Inventory of water bodies	The inventory of water bodies has already been made by the concerned department. weblink: irrigation.punjab.gov.in	Drainage Deptt.	Activity completed and process of inventory preparation shall be continued.
2.	Quality of water bodies in the district	The monitoring of drains is being carried out and data is being maintained. weblink: https://irrigation.punjab.gov.in/en	Department of Irrigation, DDPO and PPCB	Regular activity
3.	Hotspots of water contamination	Being identified.	PPCB	31.12.2022
4.	Protection of river / lakewater front	Awareness is being carried out in the public to stop the dumping of solid waste in drains/Nallah. Patrolling along the drains is also being carried out by the concerned departments to rule out the disposal of	MCs/NPs & Deptt. of Drainage.	Regular activity

		solid waste in an around water bodies.		
5.	Inventory of sources of water pollution	Source of pollution into drains / nallahs is being identified.	MCs/NPs, Drainage department & PPCB	Regular Activity
6.	Oil spill disaster management (for coastal districts)	NA	NA	NA
7.	Protection of flood plains	NA	NA	NA
8.	Rejuvenation of groundwater	Action plan for Rain water harvesting has already been prepared by CGWA. weblink: cgwb.gov.in	CGWA	Regular Activity
9.	Complaints redressal system	Mobile App / Online Complaints redressal system already developed. weblink: publicgrievancepcb.gov.in	PPCB	Activity completed

4.2 Domestic Sewage

a. Current status related Domestic Sewage

Details of Data Requirement	Present Status
No of Class-II towns and above	10
No. of Class-I towns and above	4
No. of Towns STPs installed	5
No. of Towns needing STPs	9
No. of ULBs having partial underground sewerage network	12
No. of towns not having sewerage network	0
Total Quantity of Sewage generated in District from Class II cities and above	89 MLD
Quantity of treated sewage flowing into Rivers (directly or indirectly)	15.5 MLD
Quantity of untreated or partially treated sewage (directly or indirectly)	67 MLD
Quantity of sewage flowing into lakes	0
Total available Treatment Capacity	22 MLD

b. Identification of gaps and action plan for treatment of domestic sewage:

S. No.	Action points	Gaps and Action Plan	Responsible agency	Timeline for completion of action plan
1.	Sewage Treatment Plants (STPs)	MC Sunam STP of capacity 8 MLD has already installed and made operational.	MC and PWSSB	Activity already completed
		MC Lehragaga STP of capacity 4 MLD has already installed and made operational.	MC and PWSSB	Activity already completed
		NP Moonak STP of capacity 3 MLD has already installed and made operational.	MC and PWSSB	Activity already completed
		NP Khanouri STP of capacity 3 MLD has already installed and made operational.	MC and PWSSB	Activity already completed
		MC Bhawanigarh STP of capacity 4 MLD has already installed and made operational.	MC and PWSSB	Activity already completed
		MC Sangrur STP of capacity 11 MLD has	MC and PWSSB	31.03.2023

		been proposed and land acquisition is under process STP of capacity 4 MLD is under installation. About 80 % civil work has already been completed.		31.03.2022
		MC Dhuri STP of capacity 6 MLD has been proposed and land acquisition is under process STP of capacity 5 MLD is under installation. About 70 % civil work has already been completed.	MC and PWSSB	31.03.2023 30.06.2022
		NP Dirba STP of capacity 3 MLD has been proposed and tendering process is in progress	MC and PWSSB	31.03.2023
		MC Longowal STP of capacity 5 MLD is under installation. About 30 % civil work has already been completed.	MC and PWSSB	31.12.2022
		NP Cheema STP of capacity 2 MLD has been proposed and tendering process is in progress	MC and PWSSB	31.03.2023
		MC Malerkotla STP of capacity 22 MLD is under installation. About 20 % civil work has already been completed.	MC and PWSSB	31.12.2022
		MC Ahmedgarh STP of capacity 22 MLD is under installation. About 20 % civil work has already been completed.	MC and PWSSB	31.12.2022
		NP Amargarh The work of STP of capacity 1.5 MLD is yet to start and DPR is under process	MC and PWSSB	31.03.2023
2	Underground sewerage network	The status of sewerage network for different towns of Distt. Sangrur is as under: Bhawanigarh – 60% Cheema - 60% Dirba - 60% Dhuri - 85% Khanauri - 95% Longowal - 95% Lehragaga - 95% Moonak - 95% Sangrur - 85%	PWSSB	31.12.2022

		<p>Sunam - 80% Ahmedgarh – 30 % Amargarh – 95 % Malerkotla – 60 %</p> <p>The DPR for remaining work has been prepared to complete pending work.</p>		
3.	Setting up of real time water quality monitoring system to monitor the quality of water	One no. RTWQMS station has been installed at downstream of Sagarpara Drain at Khanouri.	PPCB	Already installed
4.	Operation and Maintenance of STPs (i) Arranging funds for operation and maintenance of STPs to ensuring regular operation and maintenance of STPs in a professional manner	Completed, no gap	MC /NP & PWSSB	Regular activity
	(ii) Providing proper in-house laboratory facilities at each STP for maintaining record of characteristics of analysis of untreated as well as treated waste water	Completed	MC /NP & PWSSB	Activity completed
5.	Provision of necessary treatment facilities in village ponds so that no untreated or polluted water enters river directly or indirectly through various drains or creeks. (i) Finalization of appropriate technology	Technology already finalized	DDPO / EE, Panchayati Raj	Activity completed
	(ii) Arrangement of Funds for treatment technology in various villages identified in the Action Plan	For 153 no. of village ponds, funds have been arranged. The work for arrangement of funds for the remaining village is under process.	DDPO & Xen Panchayati Raj	31.12.2022
	(iii) Reuse of water for agriculture purpose in villages.	For 4 no. of village ponds, irrigation scheme has already been implemented. Work on villages (for 61 no. ponds) is under progress. Remaining will be implemented in due course of time.	DDPO, Soil conservation department & Xen Panchayati Raj.	31.12.2023

	(iv) Proper operation and maintenance of treatment facilities installed in village ponds	In 153 no. of village ponds, operation and maintenance of treatment facilities is being carried out. The work for remaining villages is under progress under the MGNREGA Scheme	DDPO & Xen Panchayati Raj	31.12.2025
6.	(i)Checking of health indices of the in-habitants & maintain database. (ii)Holding awareness camps in the catchment area of River Sutlej to make the public aware regarding water borne diseases	Camps are organized on monthly basis	The Department of Health and Family Welfare	Regular activity
7.	Setting up of additional water bodies/water harvesting structures	Action plan for setting up of additional water bodies/water harvesting structure is yet to be prepared.	MCs/NPs	31.12.2022
8.	Guidelines for control of pollution and enforcement of Environmental Norms in marriage halls, banquet halls, etc. along with consent management system. (Directions of Hon'ble NGT in OA no. 400/2017 dated 04.02.2021)	Being implemented as per guidelines framed by CPCB	PPCB	31.12.2022
9.	Installation of ETP in all big units (marriage halls, banquet halls, party venues etc) which are not connected with the sewer lines. (Directions of Hon'ble NGT in OA no. 400/2017 dated 04.02.2021)	Being implemented as per guidelines framed by CPCB. • Total no. of units: 38 • No. of units having installed ETP / STP: 4 • Gap: 34	PPCB	31.12.2022
10.	All the units having kitchen should have proper ducting arrangement. The units using DG sets must have the proper stack height. (Directions of Hon'ble NGT in OA no. 400/2017 dated 04.02.2021)	Being implemented as per guidelines framed by CPCB	PPCB	31.12.2022
11.	The local authorities /corporations should carry out inventory of the dairy farms and gaushalas. (Directions of Hon'ble NGT in OA no. 400/2017 dated 04.02.2021)	Being prepared.	MCs/NPs	30.06.2022

12.	The local bodies/municipal corporations shall publish a public notice in newspapers and on their website for registration of dairy farms and gaushalas as per municipal law. (Directions of Hon'ble NGT in OA no. 400/2017 dated 04.02.2021)	The Public notice will be given in the Newspaper and on the website of local body for registration of dairy farms and gaushalas.	MCs/NPs	31.03.2022
13.	The District Collectors of all the Districts are directed to constitute monitoring committees to monitor the Extraction of Ground Water by the individuals for commercial purposes. (Directions of Hon'ble NGT in OA no. 176/2015 dated 20.07.2020)	Such Committees will be constituted	District Administration	31.12.2021
14.	There must be no general permission for withdrawal of ground water, particularly to any commercial entity, without environment impact assessment of such activity on individual Assessment units in cumulative terms covering carrying capacity aspects by an expert committee. (Directions of Hon'ble NGT in OA no. 176/2015 dated 20.07.2020)	Noted for compliance and will be assured.	All local bodies & DDPO	Regular activity
15.	All Overexploited, Critical & Sensitive (OCS) assessment units must undergo water mapping. (Directions of Hon'ble NGT in OA no. 176/2015 dated 20.07.2020)	Water mapping of all the OCS assessment units has been carried out as per the guidelines of GOI as per GEC-2015 Methodology by taking Block as a Unit of Assessment. The data of years 2015-19 has been taken for assessing the same recently.	Water Resources	Activity Completed
16.	Water Management Plans need to be prepared for all OCS assessment units in the country based on the mapping data, starting with Overexploited blocks. (Directions of Hon'ble NGT in OA no. 176/2015 dated 20.07.2020)	Punjab Government has engaged M/s Mekorot, National Water Company of Israel to formulate the Water Conservation and Management Master Plan for the State of Pb. and their final recommendations is likely to be submitted by Dec, 2021.	Water Resources	31.03.2022

17.	The Water Management Plans, data on water availability or scarcity and policy of CGWA must be uploaded on its website for transparency and public involvement. (Directions of Hon'ble NGT in OA no. 176/2015 dated 20.07.2020)	Noted for compliance and will be assured.	CGWB	31.03.2022
18.	The District Magistrates have been directed to take up one pond per village for its rejuvenation, this year. (Directions of Hon'ble NGT in OA no. 325/2015 dated 18.11.2020)	A) Till date 224 ponds have been rejuvenated/restored. B) Rest 811 will be restored upto 31.12.2025.	DDPO	<ul style="list-style-type: none"> • 200 ponds: 31.12.2022 • 200 ponds: 31.12.2023 • 200 ponds: 31.12.2024 • 211ponds: 31.12.2025
19.	Active efforts be made in close coordination with technical bodies to tap excess runoff of rivers/canals during rainfall season to recharge old water bodies and retain water in new ponds to be constructed specifically for the purpose (Directions of Hon'ble NGT in OA no. 325/2015 dated 18.11.2020)	A proposal will be prepared in coordination with technical bodies to tap excess run of rivers / canals to rainfall season to recharge old water bodies and to retain water in new ponds.	Irrigation / Drainage department / Local Bodies	31.12.2026
20.	Land owning agencies must ensure that every water body has unique ID for its identification. There should be retagging of the water bodies to prevent encroachment. (Directions of Hon'ble NGT in OA no. 496/2016 dated 22.01.2021)	Already implemented	Drainage Department	Activity Completed
21.	Awareness among public to set up Rainwater Harvesting System and about its utility should be enhanced. (Directions of Hon'ble NGT in OA no. 496/2016 dated 22.01.2021)	Being carried out by all ULBs.	Local Bodies	Regular Activity
22.	Installation of STP will be mandatory for all residential apartments/group housing	Directions are already being followed.	MCs/NPs	Regular Activity

	societies where groundwater requirement is more than 20 m3/day for getting NOCs. (Directions of Hon'ble NGT in OA no. 496/2016 dated 22.01.2021)			
23.	Comprehensive plan to install flow meters at various locations to carry out daily real time monitoring of the city's water supply network. (Directions of Hon'ble NGT in OA no. 496/2016 dated 22.01.2021)	Directions will be followed. Time line for Preparation of plan = 31.03.2022.	PWSSB	Time line for Preparation of plan = 31.03.2022. Time line for implementation of plan = 30.09.2022.
24.	Control of illegal extraction of groundwater. (Directions of Hon'ble NGT in OA no. 496/2016 dated 22.01.2021)	Inspections are being made to control illegal extraction of ground water.	All Local Bodies	Regular Activity
25.	Review of District Environmental Plan activities at different levels of District Heads and District Magistrate. (Directions of Hon'ble NGT in OA no. 360/2018 dated 05.07.2021)	The Activities of District Environmental Plan will be reviewed on monthly basis by the District Heads and at the level of Deputy Commissioner.	District Heads of concerned departments and District Administration.	Regular activity
26.	Appointment of Nodal officer with contact number	All the departments have appointment the Nodal officer and list is attached as Annexure-1	All concerned departments	Completed
27.	Preparation of operational manual of STPs for the effective and efficient operation of the STPs of the state.	Under preparation.	PPCB	Time target: 31.10.2021
28.	Enhancement of capacity of existing ponds/ water bodies and creating of new water harvesting structures.	A. Existing Ponds(Total) = 1035 B. No. of Ponds whose Capacity has been enhanced = 182 C. New ponds = Nil Source of Funds above activities: Gram Panchayat Fund, Finance Commission, MGNrega.	DDPO	31.12.2025

29.	Usage of treated sewage for sprinkling purposes for sweeping of roads to control dust pollution.	The treated sewage of District Sangrur will be used for sprinkling purposes for sweeping of roads to control dust pollution.	MC/NP	Regular activity
30.	Mapping of the rivers and flood plain zones in the catchment area of rivers of the State.	NA	NA	NA
31.	Utilization of STPs sludge	STP sludge is used by the farmers as manure.	MC /NP	Regular activity
32.	Framing policy for the management of highly contaminated Feecal sludge generated from the rural areas.	Progress achieved: State level policy matter and time target for framing of policy will be informed after taking up matter at higher level.	DDPO	Policy will be framed by 30.04.2022. Implementation = 30.04.2025
33.	Reuse of treated effluent through existing STPs (OA no. 496/2016 dated 22.01.2021)	5 no. STPs have been installed at Sunam, Lehra, Bhawanigarh, Moonak & Khanouri falling in the jurisdiction of District Sangrur and the treated effluent is being discharged partially into drains (in no demand period) and partially for irrigation purpose.	Department of Soil conservation & ULBs / PWSSB	Regular activity
34.	Reuse of treated effluent through proposed STPs (New STPs) (OA no. 496/2016 dated 22.01.2021)	As and when new STPs are installed and made operational, treated waste water will be re-used for irrigation purpose	Department of Soil conservation , ULBs /PWSSB	<ul style="list-style-type: none"> • NP Cheema - 31.12.2023 • MC Dirba - 31.12.2023 • MC Dhuri - 31.12.2023 • NP Longowal - 30.09.2023 • MC Sangrur - 31.12.2023 • MC Ahmedgarh - 30.09.2023 • NP Amargarh - 31.12.2023 • MC Malerkotla - 30.09.2023
35.	Installation, operation & maintenance of online continuous effluent monitoring system with flow meter as well as CCTV cameras for the existing STPs as well as new STPs to be installed.	5 no. STP have already been installed and made operational. Installation of OCEMS and CCTV camera with the said STPs is under consideration.	MC / NP & PWSSB	31.12.2021
36.	Activity w.r.t. In-situ remediation technology to be provided in the drains carrying untreated sewage.	Proposal Yet to prepare	MCs/NPs	31.12.2022

5.0 Industrial wastewater management

a. Current Status related to Industrial Wastewater Management

Number of Red, Orange, Green and White industries in the District	Red Category unit = 117, Orange Category unit = 1356 Green Category unit = 241
No of Industries discharging wastewater	137
Total Quantity of industrial wastewater generated	17.155 MLD
Quantity of treated industrial wastewater discharged into Nalas / Rivers	10 MLD
Common Effluent Treatment Facilities	Installed =0 Under installation= 0
No of Industries meeting Standards	Regular activity, as industries are being monitored as per protocol prescribed by CPCB / PPCB
No of Industries not meeting discharge Standards	Regular activity, as industries are being monitored as per protocol prescribed by CPCB / PPCB

b. Identification of gaps and action plan for industrial wastewater:

S. No.	Action points	Gaps and Action Plan	Responsible agency	Timeline for completion of action plan
1.	Compliance to discharge norms by Industries	Necessary action is being taken against the industries not meeting the standards.	PPCB	Regular activity
2.	Complaint redressal system	Online compliant portal already developed. Web link: publicgrievancepcb.gov.in	PPCB	Activity complied
3.	Installation of Electromagnetic flow meters at inlet and outlet of ETP.	The water polluting industrial units have already installed the EMF meters. However, inspections will be made to check its functioning and records being maintained by the said industries.	PPCB	30.04.2022
4.	Inspection of units to check compliance	Industrial units are being inspected as per the protocol prescribed by the Board.	PPCB	Regular activity

6.0 Mining Activity Management plan

a. Current Status related to Mining Activity Management

Details of Data Requirement	Existing Mining operations
Type of Mining Activity	No mining activity is carried out in the jurisdiction of district Sangrur
No of licenced Mining operations in the District	NA
% Area covered under mining in the District	NA
Area of Sand Mining	NA
Area of sand Mining	NA

b. Identification of gaps and action plan:

S. No.	Action points	Gaps and Action Plan	Responsible agency	Timeline for completion of action plan
1.	Monitoring of Mining activity	No mining activity is carried out in the jurisdiction of district Sangrur	Department of water resources	-
2.	Inventory of illegal mining if any mining	No mining activity is carried out in the jurisdiction of district Sangrur	Department of water resources	-
3.	Environment compliance by Mining industry	No mining activity is carried out in the jurisdiction of district Sangrur	Department of water resources	-

7.0 Noise Pollution Management plan

a. Current Status related to Noise Pollution Management

Details of Data Requirement	Measurable Outcome
No. of noise measuring devices available with various agencies indistrict	No of analyzer available = 1

b. Identification of gaps and action plan:

S. No.	Action points	Gaps and Action Plan	Responsible agency	Timeline for completion of action plan
1.	Availability of Sound/Noise Level Meters.	Required – 9 Available – 1 Gap -8	PPCB & Police Department	31.12.2022
2.	Ambient Noise Level monitoring.	Yet to install	PPCB	Under consideration
3.	Signboards in Noise zones	Sign boards are installed at sensitive zones. However, sign boards in other areas are yet to install	ULBs	30.06.2022
4.	Complaint redressing system	Public complaint redressal system already established in the district. Web link: publicgrievancepcb.gov.in	PPCB, Police Deptt. & District Administration	Activity completed
5.	Checking of pressure horn of vehicles	Regular checking of vehicle is being done by the police department and PPCB.	Police Department & PPCB	Regular activity.

List of Nodal Officers (Annexure-1)

List of the Nodal Officers of the stakeholder Departments

Sr. no	Name of the Department	Nodal Officer Name	Designation	Mobile no.	Email Id
1.	District Administration	Sh. Amrinder Singh Tiwana	Assistant Commissioner (G)	99152-23556	dc.sgr@punjab.gov.in
2.	Office of Additional Deputy Commissioner (UD), Sangrur	Sh. Latif Ahmed	Additional Deputy Commissioner (UD)	94170-55198	adcudsangrur@gmail.com
3.	Office of Additional Deputy Commissioner (UD), Malerkotla	Sh. Sukhpreet Singh Sidhu	Additional Deputy Commissioner (UD)	95696-35386	adcurbanmlk28@gmail.com
4.	Punjab Pollution Control Board, Regional Office, Sangrur	Er. Rajeev Gupta	Environmental Engineer	95010-23220	eerosangrur@gmail.com
