Office Order

Subject:- Formation of a group to discuss the problems / suggestions for the implementation of new techniques faced by the industries.

Punjab Pollution Control Board (PPCB) has been constituted u/s 4 of the Water (Prevention & Control of Pollution) Act, 1974. Section 17 of the Act indicates various functions of the State Board. One of the functions of the State Board is to bring awareness regarding prevention, control and abatement of water pollution and organize mass education programmes. PPCB has been taking regular meetings with the Industrial Associations to advise them about the installation of best available and techno-economical technologies for the prevention & control of environmental pollution.

Now the Board in its 170th meeting held on 27.01.2016 has decided to constitute a group of the technical officers of the Board and representatives of industries to discuss the problems faced by the industries for the implementation of new technologies, as under:-

- | | | |
